

Dear Parents and Students of the Senior Class of 2026,

Below you will find important information regarding the submission of your senior portraits for the 2025 - 2026 Conifer High School yearbook, as well as a list of preferred photographers serving the Conifer community. The yearbook is an all-digital photo, all-color book with strict deadlines, so correct and timely submission of your senior photo is essential.

- All portraits should be **vertical rectangles**, 2 inches X 3 inches, at 300dpi, saved in JPEG format. PLEASE, no landscape (horizontal) photos. Vertical images only!
- All portraits should be head and shoulder shots. Photos not submitted as headshots will be cropped.
- Portraits featuring any clothing, items, or subjects in violation of school policy or dress code will not be accepted. This includes sunglasses, tinted glasses, hats, other head coverings - anything that detracts from the face.
- Portraits with props or animals will not be accepted. Props include letter jackets, uniforms, vehicles, musical instruments, or anything else that detracts from the face.
- **NO GUNS, RIFLES, OR ANY OTHER WEAPONS may appear in photos in the yearbook.**
- Photographers should submit portraits digitally using the link that will be made available in mid-July/early August.
- Please submit just one photo.
- Upon submission, you will get a confirmation email from Jostens - and this does confirm your submission! We will contact students and parents/guardians via email if a photo has not been submitted or if it doesn't meet specifications, so please do not email for additional confirmation.
- No portraits will be accepted after 4 pm on Friday, November 7, 2025. Please contact us PRIOR to the final date if you have any questions or concerns.

Our preferred photographers have our specifications, have demonstrated their professionalism in the past, will provide a quality set of portraits for you at competitive rates, and have shown their support for the Conifer High School student media program.
