Penance is something we do to make up for our sins. We have to show God that we are really sorry for being selfish sometimes and doing the wrong thing. We need to ask God to forgive us. This is called penance. Let us watch a short video of a Bible story called the Prodigal Son, which tells us all about asking for God's forgiveness.</p> <p><b>Video</b> Prodigal Son (4 mins) RECAP – What was your favorite part? When the younger son asked for money from his father, was he doing the right thing? <i>(No, he was not showing respect for his father, he left his father to go spend all the money).</i> What happened to the younger son when all his money was gone? Was he happy? <i>(No, all his friends left him, he was so hungry and people were mean to him. Then he remembered his father's great love).</i> How did the younger son show his Father that he was sorry for what he did? <i>(He decided to go back home to ask his Fathers' forgiveness.).</i> What did the Father do when he saw the younger son? <i>(He ran out to meet him. The father hugged and kissed him, and gave him a robe, sandals, a ring, and a big party).</i> That's what God does for us every time we come back to Him and tell Him we are sorry. We must say sorry to God. We must say sorry to the people we have hurt. We should ask for forgiveness for the times we have been rude, for not listening to our parents and teachers, for calling kids mean names, for not sharing. We need to be sorry for all our selfish choices. This is called penance. If you have received your holy communion, during Great Lent you should go to Confession and ask God for forgiveness.</p>	<p><b>Activity –</b> Lenten Plan</p> <p><b>Design an activity</b></p>
