6th February 2026

Dear Parents and Carers,

On **Monday 2nd March**, we will be heading to the **London Aquatics Centre** at the Olympic Park in Stratford - a big thank you to the parent who helped make this happen!

The trip will involve a tour around the building, there will also be a photo taken which you can opt in or out of on the form below. This photo is to celebrate the centre's 10millionth visitor. It will be in the local newspaper and the London Aquatics Centre social media pages. The picture will be taken from a diving board with the children looking up.

The children will be watching a diving display from one of the GB diving teams. There will also be a fun and floats disco session. Lifeguards will be at the pool as well as swim teachers in the pool to help the children enjoy the event. The pool will be set to 0.8 metres so they will be able to stand up.

We will be travelling by public transport and will be back to school before 3.30pm.

The children will be eating lunch there, so please fill out your lunch preferences [here](#) by Friday 13th February. This form is also where you need to give permission for your child to attend the trip and where you confirm whether or not your child is allowed to have their photo taken. If the form is not completed by this date, please ensure you send

We may need a couple of volunteers for the trip. If you are able to volunteer please let Mr Tromans know.
