Phonebanking

Ash, our phonebanking leader, can run a 2 hour phonebank on a weekday evening or weekend morning. We will be adding a 2 hour weekday or weekend phonebank during GOTV. Training will focus on dial efficiency to increase dials throughout cycle. Check out the [Sister District Guide for Phonebank Leaders](#) for a full guide.

We will send phonebank invite texts through texts 5 times throughout the cycle.

We will include phonebank invite in general newsletter and phonebank specific throughout the cycle.

Ash will stay connected to SD Organizing Dept staff for any and all phonebanking-focused calls, trainings, materials.

To reach our goal of 42,000 dials/140 shifts, we planned the following with conservative estimates of what we can do at each phonebank.

Month	Phonebanks	Dials / Phonebank	Total Phonebanks	Total Dials
May	1 phonebank every week 5 attendees / phonebank Average of 1,400 dials per phonebank	1,400	4	5,600

June	1 phonebank every week 5 attendees / phonebank Average of 1,400 dials per phonebank	1,400	4	5,600
July	1 phonebank every week 5 attendees / phonebank Average of 1,400 dials per phonebank	1,400	4	5,600
August	1 phonebank every week 5 attendees / phonebank Average of 1,400 dials per phonebank	1,400	4	5,600
September	1 phonebank every week 5 attendees / phonebank Average of 1,400 dials per phonebank	1,400	4	5,600
October	1 phonebank on a weekday AND weekend 5 attendees / phonebank Average of 1,400 dials per phonebank	1,400	8	11,200
November/ GOTV	2 phonebank over final 4 days until election 5 attendees / phonebank Average of 1,400 dials per phonebank	1,400	2	2,800
TOTAL			30 total phonebanks	Estimated 42,000

Our Postcard Leader, Ash, will stay up-to-date on any postcarding opportunities and attend any postcard related HQ calls.
