How to Commission Me:

*When commissions are open, I will have it posted at the top of my profile above my prices, in my journal header(FA only), and post a journal. I also have a quote sheet posted or linked in my profile for use when getting a quote. Please be specific when saying what you want especially with the type of commission. Please let me know that you have filled out the quote sheet. All commissions are first come, first served unless a deadline is mentioned. Please be aware I cannot meet everyone's deadline. I will add people to my list after payment is received. I reserve the right to use references on my commissions and sell printed copies of it.

Smaller Commissions(Sketches, Lineart, Flat Color):

- Flat color references or full shaded references with splotches and clear markings are required for flat color pieces. Uncolored references will work for sketches and lineart.
- References must have front and back views. I must be able to see all areas of the body including inside the mouth. Naughty bits are not required unless getting adult artwork. If someone does not show all body parts, they must mention them and link me the right colors. (ex. Tongue is forked and this color: <http://kimsrane.com/images/TA1525.jpg>)
- Smaller commissions do not take up slots.
- I will request your payment information. I normally use paypal invoices. No exceptions
- Payment is required IN FULL before I start your commission.
- Once payment is received, I will start the commission based on the order of the list.
- Lineart and flats will get a sketch approval, however, I will allow small changes on sketches after they have been posted.

- I will post these to my scraps as it is considered incomplete to me.(FA only)
- All sketches and lineart are only to be colored by me or you. Paying anyone else to color it is not okay unless permission is given to the artist by me.

Larger Commissions(Full Shaded and References):

- References must have front and back views so I can see all markings. I must be able to see all areas of the body including inside the mouth. Tongue is forked and this color: <http://kimsrane.com/images/TA1525.jpg>)
