

Engaged Professional

Teacher Self-Assessment

Focus Area	"I" Statement	Not Yet	Yes, but...	Absolutely	Ideas/Notes
Contribution to a Shared Vision	I can articulate and model elements of the school's mission statement.				
	I share responsibility for continuous school improvement.				
	I promote the implementation of QLE by actively participating in school-based PD.				
	I am willing to initiate and engage in dialogue to define a shared vision of quality learning environments.				
	I make a genuine effort to help my colleagues identify demonstrations of quality learning in their own teaching environments.				
Collaborative Learning with Colleagues	I follow established norms within collaborative meetings (CRM, PLC).				
	I am welcoming, open-minded and willing to work with my colleagues.				
	I share willingly and contribute what I can to the pool of teaching resources used by myself and other colleagues to make our team better.				
	I constructively challenge ideas I do not agree with rather than using negative language to diminish the ideas and efforts of others.				
Reflective Practice for Growth	I personally reflect on my teaching practices to enhance student learning.				
	I actively seek out opportunities for professional learning that will enhance individual growth and professional practice.				
	I am intrinsically motivated to continually enhance my teaching practice.				
	I envision, set, and revise goals that enhance my own professional practice.
