

Core Indicator: Residential Child Care Facility

All current rulesets from Volume 7 Rules and Regulations for Child Care Facility Licensing found in 12 CCR 2509-8 can be found on the [Colorado Secretary of State](#) website.

The checklist provides a general outline of required policies and procedures but does not encompass all requirements for a Residential Child Care Facility. The Residential Child Care Facility is responsible for compliance with all regulations and laws applicable to the license. The Residential Child Care Facility may [submit an appeal](#) in accordance with 7.701.13.

The following rulesets apply to Residential Child Care Facilities:

7.701 General Rules for Child Care Facilities

7.705 Rules Regulating Residential Child Care Facilities

7.714 Quality Standards for 24-hour Child Care

7.719 Rules Regulating Special Activities
