ECE Resources from the UCONN Library

The links below were created by the librarians at UCONN to help ECE and other new students navigate the many resources available through the UCONN libraries.

Note: While some of these resources are available to everyone, others require a UCONN NetID. All RHAM ECE students have a UCONN NetID. Contact your ECE teacher or guidance counselor if you need help with your NetID username and password.

- Early College Experience (ECE) Guide — Home
- Research Quick Start: Home (Great for Students!)
- Finding Books and Articles
- Start Guides for Undergraduate Students
- UConn Library FAQs
- Ask a Librarian
- Science Guides
