Motion: (THBT) Dogs are better than cats

Lydia: gov

1. Known as man's best friend
 - a. More emotionally attached
 - b. Can form closer bond

Zainab: opp

1. Cleaner pets
 - a. clean themselves everyday - less work
 - b. Indoor pets - unlikely to get muddy
2. Get to spend more time with them
 - a. Have to pick up poop for dogs, but cats bury it themselves
3. Impact: looking for something cute and cuddly - not someone u have to take care of 24/7
 - a. Easier for you

Navia: gov

1. "Cats are easier to take care of than dogs"
 - a. BUT taking care of an animal forms a closer bond, therapeutic
 - b. Helps elderly ppl - left alone, gives them to fill up with
2. Train them to be more responsive
 - a. Guide dogs that detect diseases, guide dogs
 - b. Helpful in society
3. Bond that u can't get with a cat

Winnie: opp

1. "More emotionally attached"
 - a. Not proven that cats are more attached to cats
2. Is it worth it if it is a big baby and they are hard to take care of?
 - a. Ex. have to spend hours caring for them
3. Can sleep in their bed, can spend more time with you
4. Can help elderly ppl - BUT more of a burden for normal ppl

Cynthia: gov

1. Can help exercise
 - a. Ex. Need to walk a dog to take care of it
2. Can train a dog to help basic needs
 - a. Ex. protect home
 - b. Cameras can be too expensive

Jack: Opp

1. Cats are more quiet than dogs & less aggressive to strangers
 - a. Dogs bark and anyone, can hurt ppl

- b. Cats don't' do that
- 2. Cats show more affection
 - a. Require less attention & need less care
 - b. Less mud - burry own poop
- 3. Extending: cats can take care of themselves in the wild
 - a. Can leave cat in house for days - get depressed
- 4. "Dogs are more loyal"
 - a. Over time, if spend enough time with pets then u will still get more attached to a pet
 - i. Can also have more of a dependance on dogs
- 5. Cats generally live longer than dogs
 - a. "Women live longer than men"
 - i. Seem to charge headfirst into issues

Julia: gov

- 1. Learn responsibility
- 2. "Cats helped ppl catch mice"
 - a. But dogs also help a lot
- 3. "Dogs bark and show aggression"
 - a. Dogs are being nice - but

POI: "dev more responsibility than children - how have most dogs taken care of by children ended up?"

- Idk
- Navia has been surrounded by dogs her whole life and she has had so many ppl

Daniel: Opp

- 1. Cats are lazy lumps of fur that like to stare at things it spots
- 2. Ppl are more frightened by dogs cuz chance to attack them
 - a. Cats sitting around the
