THE 1ST ANNOUNCEMENT

ORGANIZERS

UNIVERSITY OF NOVI SAD FACULTY OF AGRICULTURE
Department of Animal Science

in cooperation with

Research Institute for Animal Production Nitra, Slovakia	**Faculty of Agrobiotechnical Sciences, Osijek, Croatia**
Faculty of Agriculture and Food Sciences Sarajevo, Bosnia and Herzegovina	**University of Life Sciences "King Mihail" of Timișoara, Romania**
Faculty Member at University of Agronomic Sciences and Veterinary Medicine of Bucharest	

It is a pleasure to inform you that **THE INTERNATIONAL SYMPOSIUM ON ANIMAL SCIENCE (ISAS) 2026** organized by the **Department of Animal Science, Faculty of Agriculture - University of Novi Sad** will be held **from 16th - 18th of September 2026** in **Novi Sad** (Republic of Serbia) at the **Faculty of Agriculture**.

You are invited to take part with oral communication or poster presentation. Also, you have an opportunity to present your institution or company at this event. At the Symposium, the experts and researchers from all over the world will present results of their research, enabling better transfer of scientific achievements in all fields of animal production and make them more accessible to the animal scientists and stakeholders, students and the agro industry. Goal of this scientific event is to establish better collaboration between animal science researches from the Universities and research institutions, and experts and researchers from industry, trade and other related fields from Serbia, Western Balkans, EU and other parts of the World in their common fields of interests in science, education and good livestock production practice and wildlife management.

SYMPOSIUM TOPICS

The program of the Symposium will cover the following topics:

1. **Animal Breeding, Genetics and Reproduction**
2. **Animal Nutrition and Feed Production**
3. **Animal Health & Welfare and Farm Biosecurity**
4. **Wildlife & Game Management and Aquaculture**
5. **Rural Development, Organization and Bioeconomy of Livestock Production**
6. **Organic and Alternative Livestock Production**
7. **Quality of Animal Products**
8. **Sustainable Agricultural Production and Environmental Protection**
9. **Smart and precision livestock farming**

OFFICIAL LANGUAGES

The official language of the Symposium is **English**.
