

Headteacher: Mrs Nicholls

19th April 2021

Year 6 - Summer Curriculum Newsletter

Welcome back to the Summer Term, we hope you had a fabulous Easter and enjoyed the beautiful sunshine! Hopefully, you find this letter informative; please do not hesitate to contact us if you have any questions.

Homework:

Our expectation at Broadford is that every child should do the following every night:

- 15 minutes reading to themselves or an adult (signed in the reading record)
- 15 minutes practicing spellings in their spelling book
- 15 minutes Maths (SATs bootcamp/rockstars/mathletics)

Online learning:

A reminder that all children received their SATs Bootcamp, Mathletics, my book blog, Literacy planet and Rockstar account details last term and are encouraged to make the most of this resource.

Spellings:

Spellings will be given out on Mondays and will also be uploaded to the google classroom and blog. The children should practice their words every evening. Spelling books must be brought in on Fridays, which is also when the weekly test happens. This will be closely monitored.

P.E

Year 6 have PE on a Thursday afternoon. Please ensure that your child is wearing a full, named PE kit for their lessons. At this time of the year, it is especially cold out; please ensure the children have jumpers and long jogging bottoms for their PE lessons.

Curriculum Information

We have included a summary of the topics which the children will be covering this term. Thank you for your continued support, we look forward to teaching your children for another term and are sure it will be full of fabulous learning experiences!

Summer Term		
	1st Half Term	2nd Half Term
Literacy	Book study of Letters from the Lighthouse by Emma Carroll and Rose Blanche by Christophe Gallaz Grammar, Punctuation and Spelling	Book study of Can you see me? By Libby Scott and Beegu by Alexis Deacon Grammar, Punctuation and Spelling
	Please fill in the reading journal after hearing your child read. For a good selection of children's books, visit your local library. Useful web links: http://www.woodlands-junior.kent.sch.uk/interactive/literacy/ http://durham.schooljotter.com/coxhoe/Curriculum+Links/Literacy	
Maths	This half term your children will be receiving specific teaching to fill their gaps from their assessments on the return to school. The teachers will be covering: Percentages, Fractions, translation, reflection and coordinates with a focus on varied fluency.	During the last half term we will be focussing on filling the remainder of gaps and practising answering mixed questions in: Statistics Arithmetic Maths Reasoning
	Please practice the times tables with your child. The school is continuing to focus on Mental maths this year and it would be of great help if your children could learn them.
