Step 5: Search for what you are looking for using a title, author, subject, or series. You can also click the filter sliders to perform a more advanced search.

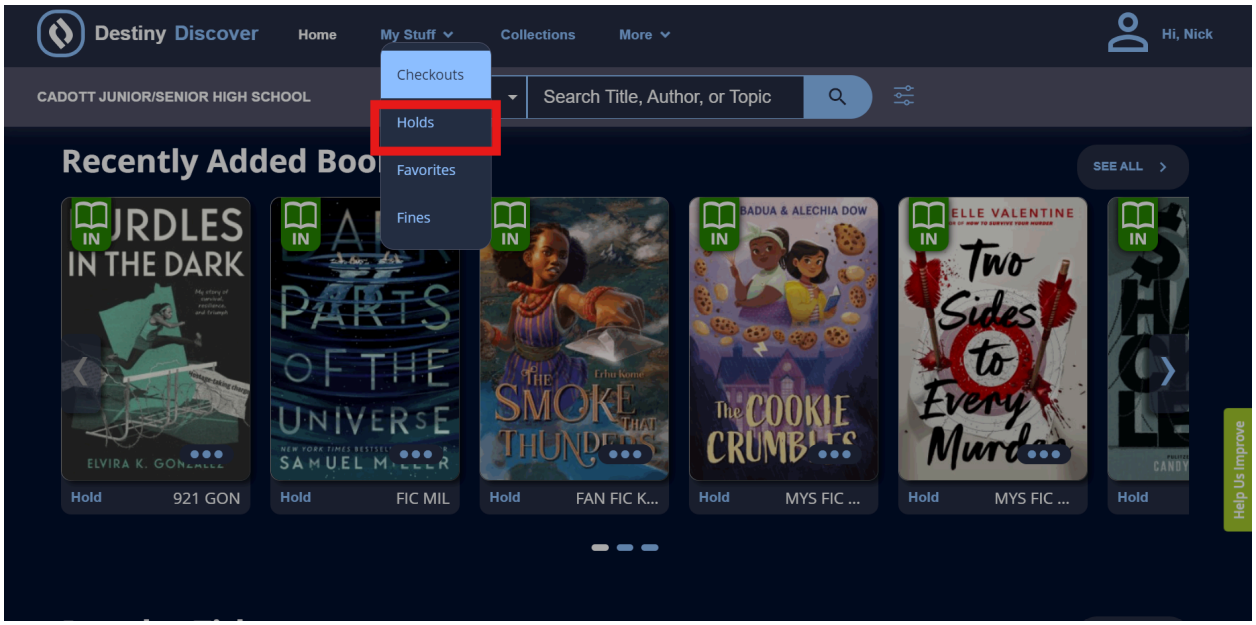

Step 6: Click on the "Hold" link next to the title you would like to reserve. Your hold will be placed. If the item is in, the hold will be ready for you in the library. If it is out you will be added to the queue to receive the item and will be notified when it is ready for pickup.
