Payment

# T.O.S Zkullcat's Commissions

***By buying a commission you are agreeing to the following terms of service:***

## **General payment:**

- I take **full payment** upfront.
- You may pay for your commission only after I have agreed to do it. If you pay before contacting me I have the right to deny and refund your commission without contact.
- If you cancel your commission before I start working you'll get a full refund. If I have already started the commission you'll get a half refund (in any status of the commission before finishing).
- After the commission is complete there will be no refunds.

## **Payment via Ko-fi:**

- You will send your commission request selecting the style and correspondent addons on my Ko-fi shop.
- If you haven't contacted me prior to sending your request you will need to provide the necessary references and a medium of contact (email, username, discord handle etc.)

## **Payment via Paypal:**

- The total price for the commission will include Paypal's transfer fee. This fee is not included in the commissions' price sheet.
- Payment will be made through a PayPal invoice. It will be provided to you after I agree to do the commission.
- It is not necessary to include your address since I only provide a digital service.

## **Extra Character Fee\*:**

- **1 to 6 characters.** Base price for additional character.
- **6 to 10 characters.** Double price per additional character.
- **10 to 20 characters.** Triple price per additional character.

(\*) Price varies per commission style.
