Confusion with tools :)

12:05:56 From lise namikas to Everyone:

we have a great team!!! no problems foreseen

12:05:56 From Tasha Whitton to Everyone:

We have only had trouble finding a time when all members can be present so far.

12:06:06 From Juana Ibanez to Everyone:

we are missing a team member due to illness and we are moving forward and will help ill member catch up when able.

12:06:26 From Michael M to Everyone:

I find my team one I can work well with. Honestly, I don't see the challenges mentioned here except for a) writing original content, if needed, on new material; b) just ensuring we know what Rebus/Louis materials we need to be working with.

12:06:42 From Maya Banks to Everyone:

Thanks Lise!

12:07:30 From PETER YAUKEY to Everyone:

Coordinating schedules- we are meeting on late Friday afternoons, which may have conflicts for members at times

12:07:43 From welch to Everyone:

confusion with tools; IT issues are usually handled outside our area while instructors/creators only handle the surface work of creating courses/OERs. Sometimes help would be needed outside the actual group possibly.

12:09:16 From Nicole Ortloff to Everyone:

No challenges with our team so far.
