

Welcome to New England Masters Swim Club!

We would like to welcome you to the team! As a member of New England Masters (NEM), you will be receiving our monthly NEM News newsletter which will keep you up to date with news and events.

We do not collect membership dues and rely on donations and fundraising. If you are interested in making a donation, please do. No donation is too small and all are greatly appreciated

Below please find information that will give you an understanding of the sport of Masters Swimming in the United States and New England. We have also provided several links if you are interested in finding out more!

### **United States Masters Swimming (USMS) [Website](#)**

United States Masters Swimming (USMS) is a national, membership-operated, 501(c)(3) nonprofit organization that provides membership benefits to over 59,000 members across the country. USMS and its 52 Local Masters Swimming Committees (LMSCs) provide direct support to more than 1,300 regional clubs, local clubs, and workout groups.

USMS is one of five organizations that comprise United States Aquatic sports (USA Swimming, USA Diving, USA Water Polo, USA Artistic Swimming, US Masters Swimming), which is a member of World Aquatics, the international Governing body for aquatic sports.

### **New England Local Masters Swimming Committee (NELMSC) [Website](#)**

The New England LMSC is a 501(c)(3) nonprofit subordinate of USMS that serves as USMS's regional governing and administrative body, meaning it handles registration, sanctioning, officiating and other such matters in Maine, Vermont, New Hampshire, Massachusetts and Rhode Island. The NELMSC has 20 Registered Clubs and 2,150 members in 2024

### **New England Masters Swim Club (NEM) [Website](#)**

New England Masters Swim Club (NEM) was formed in 1972 with the purpose of bringing together former, current, and future competitive swimmers, to provide a positive swimming experience both individually and as part of a group, with the goal of a position of distinction on the national Masters swimming scene. This is true today, 50+ years later.

NEM is one of the largest USMS clubs in the country, with 39 workout groups totaling over 1,249 members in 2024. NEM is the sole “regional club” within the New England Local Masters Swimming Committee (NELMSC).

NEM [Workout Groups](#) are structured in various ways. Some have very few members, others are as large or larger than most clubs but **remain as workout groups because doing so allows their swimmers to compete as part of NEM’s club team at USMS-sanctioned meets and open-water events outside of the NELMSC** - [national](#) and [international](#) championships and other USMS sanctioned events such as the USMS [virtual championships](#).
