Bula!

Welcome to 6th grade Math. My name is Mr. Karan and I am looking forward to having you in my Math class. I was born in the Fiji Islands and have been teaching for over 15 years. This is my 6th year of teaching Math at the Umatilla School District.

Definitely, we are starting this year on a different note. However, our main focus remains the same which is “to learn and practice doing Math in fun and engaging ways”.

Class Expectations: You are expected to:

- Sign into your Google classroom daily and check emails to keep connected
- Demonstrate learning and complete assignments on time
- Remember to reach out to your teachers if you are confused/overwhelmed
- Seek help from your peers/friends or teacher: we are in this together!
