

e-Book Evaluation Form

Read the eBook carefully and evaluate it according to the criteria indicated in the table.
Where appropriate, make suggestions for its improvement.

Title of e-Book: _____ **Link:** _____
Target audience: _____
App/Platform: _____
Authored by: _____

No.	Criteria	Evaluative comments	Suggestions for improvement
1.	The story is related to specific teaching objectives (topic, content, language, text type, etc.)		
2.	The content of the eBook is appropriate to the age, interests, language knowledge and abilities of the students.		
3.	The eBook presents language content within the context of an interesting story.		
4.	The story/content is an appropriate length for the target age and language ability of the audience.		
5.	The sentence length and complexity is appropriate for the audience. (e.g. For young children, the story contains repetitive patterned language and supports children to make predictions.)		

No.	Criteria	Evaluative comments	Suggestions for improvement
6.	The images used in the eBook are high quality and support the meaning of the text.		
7.	Sound effects are used appropriately: they are used to add interest and motivation to read or add educational value.		
8.	Recorded texts or videos are used, which allows students to read and listen independently.		
9.	Animations or other motion effects are used to add interest. However, they are not used too excessively.		
10.	Hotspots are created so that students can interact with the eBook (e.g. feedback or extended learning opportunities).		
11.	The eBook runs smoothly without technical errors.		

Other suggestions? Ideas for further improvements are welcome!
