WHAT WILL HAPPEN DURING FROSH FEST?

- ★ They will participate in various get to know you and personal development activities. They will also learn “ins and outs” at BHS.
- ★ Groups will tour the building and go through their schedules.
- ★ Freshmen will also be touring the lunchroom to become familiar with how lunch works at BHS.

WHAT IS LINK CREW?

- ★ Link Crew Leaders were selected to be positive role models for the incoming freshmen class during the important transition from middle school to high school.
- ★ Link Crew Leaders will help freshmen get involved by informing them about the activities put on by the school.
- ★ Link Crew Leaders also help to bridge the gap between freshmen and the rest of the school giving all students a sense of belonging.
- ★ Link Crew Leaders complete a full day of extensive training. Each freshman student is assigned to a group of 10-12 other freshmen and two Link Crew Leaders.
- ★ Link Crew Leaders will continue to connect with the freshmen throughout the school year.
