

Share My Kitchen Table

Host Instructions 2026

Barack Obama: "None of us can sit this one out."

Share My Kitchen Table (SMKT) is a **We Get Out the Resistance** program. You invite like-minded friends, neighbors, and family into your home, (especially those who haven't engaged in activism yet), offer light refreshments, and let us do the rest. We recommend people bring cash, as we have a few items for sale. Your guests are left empowered with information about at least 25+ different ways that they can help restore Democracy!

A recent poll showed that 74% of Democrats want to take action, but they don't know what to do. This event solves that problem!!!! WeGOTR will present our **New 2026 PowerPoint: One Million Rising**, which outlines activism strategies, mid-term election data & actions, advocacy of NYS progressive legislation and student engagement.

History has proven that when 3.5 % of the adult population of a country engages in Persistent, Visible Opposition, they can topple a dictator. We had 7-10 million people show up nationally at the "No Kings 2" Rallies that took place in all 50 states, 2700 separate events. We need to maintain that 10-11Million attendance and SMKT events have proven to increase activist membership and turnout. Get on our calendar!!! If you have three or more people who will come to your house, we'll be there!!!!

To sign up for a SMKT, you can contact us at WeGOTR.NY@gmail.com.
