Dear Fifth Grade Families,

As the school year comes to a close, we want to ensure that we are celebrating the hard-work and efforts our students have demonstrated at Underwood through the years. The fifth grade team in collaboration with the room parents, have finalized the details for our school family to celebrate these students. Our efforts through their years here at Underwood is to prepare them for middle school by providing academic challenges to enhance their learning, demonstrating self-awareness, organization of materials management of emotions, self advocacy, and accountability.
