Outreach Activities Registration (CHOOSE ONLY 1 ACTIVITY)

This GYC Focus we are excited to be working alongside Evesham Fellow Church (EFC) to help them reach and make meaningful contact with their community. EFC is a new church-plant from Worcester, alongside them we will be engaging in 3 different outreach activities designed to help us experience reaching out to the local community, foster connection and inspire us to be intentionally active in our communities after this event.

From door-knocking to get to know the community members, to engaging in spiritual conversations and distributing literature in the heart of the town and lifting the spirits with song and fellow to those in a local care home this is an opportunity, at a ripe time, to impact Evesham and to plant seeds.

1. Door-to-Door Knocking

As a participant, you'll be actively involved in knocking on the homes of the Evesham community members to engage in friendly conversation about Easter and to just inform them of Evesham Fellowship Church. We have specific Easter literature to give out if people want to know more, and also prayer cards for prayer requests and a free bible pamphlet for those who would want a Bible. At this ripe period, where people have the theme of Easter and Christ's resurrection in mind, it's a great opportunity to make connections with the members of the community and whatever the outcome may be at each door, seeds will be planted which will be further watered through other means in the future.

If this is your first time don't worry, you'll be going out in pairs for support and encouragement. We'll also provide training prior to the outreach to help you to know more about the church you will be connecting them to, what to expect and some tips and pointers that will help you on the doors.

2. Book Distribution and Singing in Town

This activity involves engaging in conversation with members of the public at the heart of Evesham town center about Easter, the book Great Controversy and the Daniel 2 statue. There will be 2 locations, one will have a stand about the book the Great Controversy as well as a banner of the Daniel 2 statue to capture people's attention. The other location is at another part of the town where you will be engaging with members of the public about Easter and giving out relevant easter material.

Through your thoughtful and respectful engagement, you have the potential to spark interest in topics that can lead others to know who God is and to understand that He is in control and to plant seeds in the hearts and minds of others.

Accompanying the literature stations will be those who would like to sing, so if you would like to specifically be involved in this area select that option in the link below.
