

St. Brendan Uniform Closet

The St. Brendan Uniform Closet is located in the basement of the church next to the Church Hall at the bottom of the internal stairs by the bathroom nook.

The Uniform Closet is a way to share and recycle uniforms that have a lot of life left in them! There is no charge for uniforms and anything on a hanger is up for grabs! If it's not on a hanger, it's not currently available.

Picking up/Dropping off Items:

- The closet is open before and after weekend Mass hours.
- Drop off in the Closet during those hours or at the school office during office hours – thank you for your donations!

The Closet is run by a parent volunteer and is for all of us to access. Please take what you need and leave the hangers and the Closet in an *orderly fashion*.

You can find the [School and Uniform Dress code here](#). Uniforms all come from [Classic Designs](#).

Other Info to Note:

- The door is not locked but may take a strong tug to pull it open. There is a sign on the door if you require more information.
- Please do your best to keep the closet neat! It's run by parent volunteers
