

SENIOR WALK

Friday May 26 at 10:15am

You've made the journey! Now you can inspire future grads as you take part in the Senior Walk 2023.

Locations:

**TCA Bear Valley,
Coastal Academy, or
Classical Academy Vista**

Instructions:

Wear your Cap and Gown

**Walk through the elementary
school halls**

**Inspire our younger students to
reach the goal of high school
graduation!**

This could be one of the most memorable things to happen this school year for the younger children and the seniors. One group of students sees what lies ahead, while another reminisces about what was. A beautiful way to end the school year for everyone involved.

The group will meet together at your chosen location by 10:15am on May 26. If you did not attend one of these Classical schools, feel free to choose one and join your friends! Please wait outside the front lobby when you arrive. This walk will only take about 30-40 minutes of your day. We look forward to enjoying this experience with you.
