Date Introduced: 04-10-2017
Introduced by: Executive Committee

A Bill

This bill is intended to make an amendment to the Student Affairs Senate Constitution in order to uphold the membership expectations of Student Affairs Senate.

SECTION I: Nebraska Wesleyan University is an academic community dedicated to intellectual and personal growth within the context of a liberal arts education; and,

SECTION II: The University has made recent changes to the five academic divisions (Professional, Fine Arts, Humanities, Natural Science, and Social Science), replacing them with the following: Arts and Humanities Division; Natural and Health Sciences Division; and Social and Applied Sciences; and,

SECTION III: The current SAS Constitution reflects the five old academic divisions. Therefore:

BE IT ENACTED BY THE 2016-2017 STUDENT AFFAIRS SENATE THAT:
The Student Affairs Senate Constitution be amended in the following manner:

From:

Article V, Section 2 (**Original**)

- A. Students may gain a seat on SAS by representing any one of **five** academic divisions (**Professional, Fine Arts, Humanities, Natural Science, and Social Science**). The seats available for each division shall be determined by the PRE Committee according to the percentage of students with declared majors in those divisions.

To:

Article V, Section 2 (**Amended**)

- A. Students may gain a seat on SAS by representing any one of **three** academic divisions (**Arts and Humanities, Natural and Health Sciences, and Social and Applied Sciences**). The seats available for each division shall be determined by the PRE Committee according to the percentage of students with declared majors in those divisions.
