

Developer: WONA GAMES

Effective Date: February 14, 2025

Thank you for using Rescue The Princess ("Product"). We value your privacy. This outlines how we collect, use, and protect your personal information.

### 1.Information Collection

We may collect:

- \* Device Information: Model, OS version, unique device identifiers.
- \* Usage Data: IP address, access times, page views, actions.
- \* Location Information: Geolocation data (with your consent).

### 2.Information Use

Collected information is used to:

- \* Provide, maintain, and optimize Product features.
- \* Analyze user behavior and improve user experience.
- \* Comply with legal requirements and ensure product safety.

### 3.Information Sharing

We will not sell your personal information. We may share information:

- \* With your explicit consent.
- \* To comply with legal obligations or requests from judicial/administrative bodies.
- \* With authorized partners (e.g., ad platforms, data analytics providers) under confidentiality obligations.

### 4.Information Security

We implement reasonable technical and organizational measures to protect your information from unauthorized access, use, or disclosure.

### 5.Privacy Policy Changes

We may update this policy and will notify you appropriately. Continued use implies acceptance.

### 6.Contact Us

For questions about this policy or data handling, contact: [wonagamestudio@gmail.com](mailto:wonagamestudio@gmail.com)
