

Chip Presenter Script

Hi, my name is ____, and I am a sex and love addict. We give out chips to celebrate us, not to separate us. In our group, chips are given in recognition of sobriety from ALL your bottom-line behaviors and for stepwork.

The 1 day chip is for people who desire or have 24 hours of sobriety. Who has 24 hours or 1 Day of sobriety or desires 1 day?

Announce each chip from 1 day to 3+ years. Make a note of the names and amount of time.

*Pause after announcing each chip to give a chance for people to get a chip or clap.
After each person say:*

Anyone else have ____ (say the time amount) ____?

Continue with 1 week, 1 month, 2 months, 3 months, 6 months, 9 months, 1 year, 18 months, 2 years, 3 years or more. Allow people getting a chip for 1 year, 18 months or 2+ years to give a brief speech on how they did it.

We would like to show that this program can be done. Would anyone who has one or more years of sobriety please raise your hand?

Pause to celebrate anyone who has one year or more of sobriety.

We also celebrate working on each Step. Who would like to celebrate working on Step 1?

Announce and celebrate Steps 1-12. Make a note of the names and which step.

Would anyone who has worked all 12 steps please raise your hand?

Pause to celebrate anyone who has worked all 12 steps.

If you would like a virtual coin sent to you, please private message me in the chat with your email address and what coin you are requesting. If you would like a physical coin mailed to you, please private message me in the chat with your mailing address and what coin you are requesting.

If you have a year or more sobriety date coming up please let us know so that we can order a chip for you.

Thank you everyone and congratulations!
