1. **Free Application for Federal Student Aid (FAFSA)** - Information regarding the financial aid process and filling out the Free Application for Federal Student Aid (FAFSA) will be discussed. The FAFSA is an important step for any senior attending a postsecondary institution.
Thomas Uecker, Financial Aid Coordinator, University of Wisconsin-Whitewater (Seniors)
2. **US Armed Forces**- Come learn and ask questions regarding 5 different options available from the United States Armed Forces.
SGT Dakota Banik-US Army, SSG Jennifer Splittgerber-WI National Guard, US Air Force, US Navy, US Marines (Juniors & Seniors)
3. **University of Wisconsin System**- Information regarding the 26 campuses in the University of Wisconsin system and UW System application.
Emerson Boettcher, Outreach Specialist. UW Help (Juniors & Seniors)
4. **Madison College (MATC)** - Learn about the options available through the WI Technical College system including specific programs of study, opportunities & scholarships available through Madison College's Watertown and Truax campuses.
James Lanouette, Recruitment Coordinator | Recruitment and Community Outreach, Madison Area Technical College (Juniors & Seniors)
5. **WI Independent Colleges**- Information on the advantages of private, nonprofit colleges, extracurricular activities, inclusivity, popular majors, career services, affordability, and resources. *Theresa Sullivan, External Relations. Wisconsin Association of Independent Colleges and Universities (Juniors & Seniors)*
6. **UW-Whitewater & UW-Whitewater at Rock County** - During this presentation you learn about why going to college is important, what you do in college (besides study!) and UW-Whitewater's admission process and timeline for both universities. *Nathaniel Tranel, Assistant Director of Admissions. UW-Whitewater Admissions Office (Juniors & Seniors)*
7. **WHS Youth Apprenticeships & Co-Ops** - Did you know Watertown High School has ways to jumpstart your career path? Come hear about opportunities available to all WHS students through the WHS School to Career program. *Sarah Tarpey, WHS School to Career Coordinator (Juniors & Seniors)*
8. **Adult Apprenticeships** – Learn about the process of becoming an apprentice covering the Electrical, Carpentry, Plumbing, HVAC, Steamfitting, Sheet Metal, and Bricklaying trades. Information on apprenticeships and connecting with apprenticeship opportunities.
Jeffery Kennedy. Apprenticeship Navigator & Business Engagement Specialist at Workforce Development Board of South Central Wisconsin (Juniors & Seniors)
