2 Corinthians 3:18 (NIV)

"And we all, who with unveiled faces contemplate the Lord's glory, are being transformed into his image with ever-increasing glory."

Series Overview:

This May, we embark on a deeply transformative journey titled "Walking in His Image: The Transformative Journey to Christlikeness." This 21-day devotional series will explore the core purpose of our faith: becoming more like Jesus. Drawing from our foundation verse, 2 Corinthians 3:18, we will discover how beholding Christ's glory through intimacy with Him leads to an ongoing transformation into His very likeness, enhancing our effectiveness and authority as His representatives.

Beginning May 1st, we will embark on this 21-day adventure together. This series is designed not only to deepen your understanding of Christ's character but also to equip you with practical ways to cultivate His nature within you through the power of the Holy Spirit. Our goal is to move beyond simply admiring Jesus to actively partnering with the Spirit in the process of being conformed to His image.

We'll begin our journey with "Mirror His Heart," our theme for the first week. During this foundational phase, we'll focus on understanding and reflecting the core character attributes of Jesus. We'll explore His profound love, His radical humility, His deep compassion, His unwavering obedience, and His boundless forgiveness, learning how to mirror these qualities in our own lives.

In our second week, we'll focus on "Display His Nature." This phase is all about the practical manifestation of Christ's character through the fruit of the Spirit. We'll explore love, joy, peace, forbearance, kindness, goodness, faithfulness, gentleness, and self-control, understanding how these attributes are cultivated as we abide in Him.

Our final week is devoted to "Represent His Kingdom," where we'll learn how walking in Christ's image empowers us to be effective kingdom representatives. We'll examine how reflecting His character enhances our credibility, gives weight to our words, and draws others to the King we serve, ultimately bringing glory to God.

Each day of our journey will follow a consistent structure to facilitate your learning and growth. We'll start with a key verse that provides the biblical foundation for the day's theme. This will be followed by a brief teaching offering context and practical insights. You'll then receive application steps, allowing you to immediately implement what

you've learned. A reflection question will prompt personal introspection and growth, and we'll conclude with a prayer focus related to the day's theme.

By the end of this 21-day journey, you will have gained a deeper understanding of Christ's character, explored the fruit of the Spirit as evidence of His nature in you, and learned how becoming more like Jesus empowers you to represent His kingdom effectively. You'll have a framework for continuing the lifelong journey of transformation into His image.

This series aims not just to increase understanding about Christlikeness but to foster genuine transformation, equipping you with insights and tools to partner with the Holy Spirit in becoming more like Jesus every day. Whether you're new to your faith or have walked with Christ for years, this journey offers fresh perspectives and practical strategies for "Walking in His Image."
