

Shipping Calculus Data Entry: Now with Collective Intelligence

A place for shippers to write down moments for their ships from the most recent episode, before it's fed into the stats programs for final results.

Note: Only ship moments to be added--don't add points! Points are determined by the stats programs and senior employees

Note: No point loss moments here. Those are the domain of the Principal Investigator

Note: We love you

Episode 71

Fjord/Jester

- fjord saying the opposite of everything jester says about nugget has big Married Couple energy
- Marion ships it

Fjord/Caduceus

- "I'm just watching fjord"

Fjord/Caleb

- caleb specifically tasks fjord (along with beau) with "keeping an eye out" and taking care of the rest of the group

Beau/Jester

- beau doesn't want jester to leave her tense conversation w dairon "in case she forgets anything"
- "i trust you, beau" :)
- the whole "Dairon can always take my bed if she wants" "Oh!" "while I'm not here!" "oh yeah totally" thing
- beau immediately jumps in to insist that jester DOESN'T NEED TO BE TAKEN CARE OF. she's SO STRONG. she takes care of US, IN FACT,
- SHARING CLOTHES
- "you look so pretty in that" "you're so slender, i thought you'd look good in it!"
- "i put on the not yellow dress because beau doesn't like yellow"
- "i'll wear it for jester"

Beau/Yasha

- Beau holding onto the necklace (?) for Yasha
- Beau being about as comfortable with Dairon staying in Yasha's room as Jester

Caleb/Caduceus

- [insert here]

Caduceus/Jester

- [insert here]

Caleb/Jester

- [insert here]

Nott/Yeza

- +10000000000000 because of the everything about this episode
- "outlaws" i just...
- supportive spouses :) good parents :)

Nott/Jester

- Jester seeing Nott uncomfortable with going to the ocean & covers for her, suggesting they get Luc first

Jester/Yasha

- Jester not really wanting Dairon to stay in Yasha's room

Yasha/Nott

- [insert here]
