

Central Park Elementary PTA

Families and Teachers Supporting our School

7:00pm - 8:00pm

PTA General Meeting

September 1, 2020

- Introductions
 - *Your name, how are you related to the school?*
- Principal Update *Ms. Berkas*
- Financial Update
We have about \$6000 in our bank account
- COVID & PTA
 - MNPTA - strongly discourages any in-person events (even handing out fliers), and recommends on expanding digital outreach
 - For any in-person event/gathering, regardless of number of attendees, we would have to have a **COVID-preparedness plan** in place.
 - School district - Limiting visitors and volunteers in building
- What does a successful 2020/2021 school year look like?
What are our goals for this upcoming year?
- What are volunteering opportunities at the school this year? What about tutoring? What about background checks?
- Spirit Wear Update
 - I have not placed any spirit wear order yet, since I could not make the call on expanded cost once the district switched to full distance learning. Cost would grow a lot if we had to mail all the shirts.
- Welcome postcards to KG-families
 - Need volunteers to write them
- Considering our Usual events:
 - Scholastic Book fair - confirmed to be online only this year (we get 25%)
 - Winter Bingo
 - Spring Carnival
 - Teacher Appreciation Dinners
 - Maybe try again to have a monthly speaker as part of our zoom meetings
