

Again, this link is an attempt to provide easier communication between pro shop staff, caddies and golfers. This button should go to an instruction for golfers to request a caddie for their next visit.

I'd image it'd look like this:

Glad you enjoyed your round. To request a caddie for your next visit, please email Sam Black SBlack@kingsleyclub.com

In your email please provide information such as:

- Date of next round and approximate time
- # of anticipated golfers
- Which caddie(s) you would like to request and for what kind of job? (fore caddie, bag carry, ect)

Requests are handled in the order received and subject to availability.
