

Vancouver, BC
October 26–28

Digital Curation Using Archivematica and AtoM

Wednesday, October 28 • 1:00pm - 5:00pm

Session Leaders (include Twitter handles)

- Dan Gillean
- Sarah Romkey

@acesstomemory, @archivematica

DLF Program Committee volunteer (presenters, I can make sure that you have what you need for the session)

Cindy McLellan @YVRchivist

Slides:

- Slides from the AtoM introduction:
<http://www.slideshare.net/acesstomemory/digital-curation-using-archivematica-and-ato-m-dlf-forum-2015>
- No other slides were used during the workshop

Notes:

Workshop attendees were provided with custom virtual machines prepared by Artefactual Systems for use during the workshop. However, those interested in exploring some of the basic functionality of Archivematica and AtoM should peruse the following resources:

- Archivematica public demo site:
 - <http://sandbox.archivematica.org/administration/accounts/login/>
 - user: demo@example.com
 - pass: demodemo
- AtoM public demo site:
 - <http://demo.acesstomemory.org/>
 - user demo@example.com
 - pass: demo
- AtoM documentation: <https://www.acesstomemory.org/docs>
- Archivematica documentation: <https://www.archivematica.org/docs>

- AtoM wiki: <https://wiki.accessmemory.org/>
- Archivemata wiki: <https://wiki.archivemata.org/>
- AtoM webinars:
 - Introduction to AtoM: <https://youtu.be/kkPYSuSK77k>
 - AtoM 2.2 release sneak peek: <https://youtu.be/WBBBeECajcC8>
- Archivemata webinars:
 - Archivemata comprehensive digital workflows, pt. 1: <https://youtu.be/EjStNDXK48U>
 - Archivemata comprehensive digital workflows, pt. 2: <https://youtu.be/1BdZrwyaQ0k>
