April 30, 2021

Dear Parent or Guardian:

Your child has been nominated by the staff at Karcher Middle School to participate in an exciting transition program at Burlington High School. The program, Summer Survivor, has been a successful program that the high school has offered for over ten years, and it offers partial credit up to a maximum of .5 elective high school credit to your son/daughter. Survivor is a program for incoming freshmen that allows nominated students a chance to get a head start on their high school experience.

One of the goals of this program is to initiate students to procedures and expectations of Burlington High School. The hope is that with understanding and familiarity comes connection and belonging. They will learn the specific strategies that will help them be successful in the core areas of Math, Science, English and Social Studies; it will also include opportunities for team building, organizational skills, time management, and innovative learning. There will be times to explore elective areas such as Business, Tech Ed, FACE, Art and Physical Education. Students will also be using our expansive facilities, as well as areas in the community to make learning fun, and to challenge the boundaries of education.

Summer Survivor will take place July 12th through July 22nd MONDAYS – THURSDAYS from 9:30-2:00. Breakfast and lunch will be provided daily. Students who participate will receive up to one half elective credit for this fast-paced program.

We request your support in enrolling your student in this program. We have enclosed an acceptance form in this envelope. In order to accommodate scheduling concerns, please respond by **Thursday, May 20**. Students will be placed in the program in the order we receive the acceptance forms. In order to enroll your child, simply sign the acceptance form and either drop it off in the BHS office, send it with your child, or mail it. Please consider this new opportunity, as it can be a crucial piece in your child's successful transition to Burlington High School.

If you have any questions, please contact Karcher Dean of Students, Annie Phillips or School Counselor, Steve Berezowtiz, at 763-0200. We look forward to working with you and your child this coming summer.

Sincerely,

Summer Survivor Team
