RE: 611-71-1309, 724-44-9523, 834-69-9999.

Pursuant to:

Statutory Provisions:

Mason's Manual of Legislative Procedure, pg 17, sec. 6, #2, sec. 7 #1, pg 294 #3, pg 353 #1

Deceptive forms [15 USC sub.sec.1692j]

False and misleading representations[15 USC sub.sec.1692e]

Fictitious Obligations [18 USC sub.sec.514]

Unfair or deceptive acts or practices in or affecting commerce.[15 USC sub.sec.45]

Definition:“Fraud in the inducement occurs when a person tricks another person into signing an Agreement to one’s disadvantage by using fraudulent statements and representations; Because fraud negates the “meeting of the minds” required of a contract, the injured party can seek Damages or terminate the contract.”

In exercise of my unalienable and unlimited rights to contract, I command that the account(s)

referenced above to be noted of the resignation of I, private man, private woman, as Agent for the receipt of service of process and termination of all implied and expressed powers of attorney by or through this Agency or its Agents.

This command is for the following reasons:

Whereas according to the statutes governing the application for such account(s) [20 CFR sub.sec.422.107]:“(a) General. To obtain an original Social Security number card, you must submit convincing evidence of your age, U.S. citizenship or alien status, and true identity, as described in paragraphs (b) through (e) of this section.”, and;

Whereas “you” is defined as [20 CFR sub.sec.422.402(e)] “You means an individual who owes a debt to the United States within the scope of this subpart.”, and;

Whereas impersonating a U.S. citizen is a crime pursuant to 18 USC sub.sec.911 and Affirmant did not willingly and knowingly allege or prove such status for he’s self, her’s self, or their children.

Whereas no such evidence of Affirmant or her children being a U.S. citizen is on the related record nor does any such admissible evidence exists and any alleged evidence is false hearsay, and;

Whereas it is against my religion to knowingly and willingly participate in government programs and others benefits requiring a mark, number or registration of biological and other property;

Wherefore refusal to terminate this/these accounts upon command would be a trespass upon rights and violation of the emoluments of the office of the one who denies such termination;

Therefore, any accounts need to be zeroed out, set off for closure and the balance sent to us in the private.

Respectfully,

Shabrielle Savannah Rae
