

Privacy Policy

Effective Date: August 15, 2026

Age Calculator & Date of Birth ("we", "our", or "the App") respects your privacy. This Privacy Policy explains how information is handled when you use our application.

1. Information We Collect

We do not collect any personal information from users.

The App does not collect, upload, transmit, or maintain personal data on our servers.

We do not collect:

- Name
- Email address
- Phone number
- Address
- Contacts
- Photos or videos
- Location
- Date of birth on our servers
- Age information on our servers
- Passwords
- Financial information
- Other personally identifiable information

2. Local Storage

The App may allow you to save information such as dates of birth, age calculations, history, and favorites.

This information is stored **only on your mobile device's internal storage** and is not uploaded to or stored on our servers.

We cannot access the information stored locally on your device.

If you uninstall the App or clear the App's data, locally stored information may be permanently deleted.

3. Age Calculator

The App uses the date of birth and other dates entered by you only to provide calculation features such as:

- Exact age
- Age in years, months, and days
- Age difference
- Birthday information
- Date calculations

The information entered for these calculations remains on your device and is not collected by us.

4. Horoscope

The App may use the date of birth entered by you to provide horoscope or zodiac-related information.

This information is processed for the purpose of providing the requested feature and is not collected or stored by us on external servers.

5. Third-Party Services and Advertising

If the App displays advertisements through third-party advertising services such as **Google AdMob**, those services may independently collect certain information according to their own privacy policies.

We do not receive or store users' personal information from these services for our own databases.

For information about Google's privacy practices, please visit:

<https://policies.google.com/privacy>

6. Data Sharing

We do not sell, rent, or share your personal information with third parties.

Because we do not collect personal information, we do not maintain a personal user database.

Third-party services integrated into the App, such as advertising providers, may process information independently according to their own privacy policies.

7. Data Security

Since your saved information is stored locally on your device, the security of that information also depends on the security of your mobile device.

We recommend using appropriate device security measures such as a screen lock or other security features.

8. Children's Privacy

The App does not knowingly collect personal information from children or other users.

Because we do not collect personal information, the App does not maintain a database of children's personal information.

9. Data Deletion

You can delete locally stored information through the App's available delete options, where applicable.

You can also remove all locally stored App data by clearing the App's data or uninstalling the App from your device.

10. Changes to This Privacy Policy

We may update this Privacy Policy from time to time if the App's features or privacy practices change.

Any updated version will be made available through the App or our Privacy Policy webpage.
