For every 15 Minutes of physical activity, ONE point is earned. Students who reach 25 points by the end of October will turn their sheets in to their teachers or drop in the appropriate drop box area at the middle school or elementary school.

Where will the drop box areas be?

Middle School: Staff Lounge DropBox or Mr. Horner's Mailbox

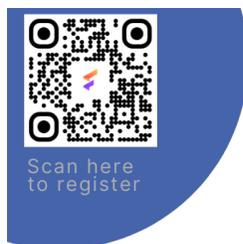

Elementary School: By the PE Office or Mr. Horner's Mailbox

Mr. Horner will be collecting and organizing all trackers on the week of November 4th-7th. After November 7th, no more trackers will be accepted. Students who complete their 25 points will earn complimentary tickets to a game this season and a chance to shoot free throws after the game.

***PLEASE BE SURE TO WRITE YOUR NAME, TEACHERS NAME, AND GRADE.**

How do I access the tracking sheet if I didn't get one?

Pine Island High School presents...

**GO TO COLLEGE, NOT INTO
DEBT: SOLUTIONS FOR AN
AFFORDABLE EDUCATION**

- Juniors and Seniors:

The Department of Education announced recently that there will be another delay in this year's FAFSA. Families of college bound students are in a unique situation to use this delay to their benefit by using the additional time to assess strategies that may require more time to implement. This includes the chance for senior families to set-the-stage and prepare for a stronger appeal to their top-choice college/university. Families of Juniors will benefit with the additional time to review and implement income strategies that will lower college costs even more. Learn what to do to maximize your financial aid offers!

Pine Island HS is teaming up with the financial aid experts at My College Planning Team to offer a live workshop to junior and senior families to help you understand the increasingly complex world of need-based and merit-based financial aid so that you are better able to navigate this process with your colleges. Advanced registration is appreciated.
