[Click here to go to download page](#)

Enjoy your journey from poor sailor to the richest and the most honored adventurer! Explore every corner of the dangerous seas with your ships fully loaded with canons. You can choose the way of an honest merchant and trade with farms, towns or forts. Or, you can fight for one of three nations and sink the enemy ships. Or, maybe you want to be a pirate and plunder everything you encounter? You can hoard gold, buy bigger ships and equip them with as many powerful items as you can find in towns and treasure chests all around the islands! Be well prepared before you sail into a grand battle with the most dangerous of your enemies! If you like the sea, ships, adventures, pirates, the smell of gunpowder and green parrots, this game is for you!

Features:

- Upgrade your ship with more powerful weapons
- Sink dangerous enemies in Match 3 battles
- Listen to an awesome orchestral music score
- Randomly generated quests for high replay value
