

Monfort Heights Elementary

WALK-A-THON

May 9, 2025

Monfort Heights Elementary PTA's Walk-a-Thon is an active and healthy fundraiser in which all students may participate. 100% of the funds are used for our school and benefit our students through the purchasing of new technology for classrooms, library materials, classroom supplies, playground equipment, and special events.

Students earn prizes for the amount of money they raise such as raffle tickets. These raffle tickets are then used for a chance to win a gift basket. We need your help to make these gift baskets. Below are the items we are collecting for each grade. Please send in any items you are willing to donate before **March 26, 2025**. These baskets help inspire our students to participate in this great fundraising event. We appreciate your help! More information will be coming about the event.

If you have bigger items that you would like to donate, please email mhewalkathon@gmail.com

Kindergarten- Family Time (games, puzzles, coloring books, etc)
