

National Bull Moose Party

Memorandum

FROM NBMP SECRETARY

01/09/2026

Change in Party Structure

We had an excellent meeting this evening and have made efforts to add needed structure to the party and delegate duties for members that were present. These will be interim positions until more individuals join and interact in the National Bull Moose Discord: <https://discord.gg/ZmG3aqMN>, and attend the bi-monthly General Meetings regularly held there. The following shall be the Discord handles of each of the people listed and their new temporary positions within the party.

Chair - H. Crutchley

Deputy-Chair - J. Johnson

Secretary - Z. Walker

Communications - H. Crutchley & J.K. Andrew P.

Writing Bylaws & Policy Platform:

- H. Crutchley
- J.K. Andrew P.
- B. Bowman

The next General Meeting shall be

- January 22nd
- Thursday
- 9:00 PM Eastern
- Discord Meeting Room
- Discord Channel: <https://discord.gg/ZmG3aqMN>

If you truly have the motivation and time to dedicate to making the National Bull Moose Party succeed, we strongly advise everybody here to join and interact in the Discord <https://discord.gg/ZmG3aqMN>, and attend all of the General Meetings going forward. We hope to see you all there!

Very Respectfully,

Z. Walker

National Bull Moose Secretary

Note: The Discord will be streamlined over the next few days, so if you notice any changes, those are made intentionally to make it more user friendly for National Bull Moose members. Apologies for any confusion caused from this.
