Pradhan Mantri TB Mukh Bharat Abhiyaan Testimonials of Ni-Kshay Mitra

Date of Reporting: 26/07/2024

Sl. No.	Name of Ni-Kshay Mitra, Designation, Organization	State	What motivated you to become a Ni- Kshay Mitra?	How do you feel after becoming a N- Kshay Mitra?	What are your suggestions towards the steps which need to be taken to make our nation TB free?
1	ARCHANA NANWATI LDC, NTEP 	Rajasthan	By PPM	Good	To awareness about TB for people
2	ABHIJIT ARJUN GAWARE, Trustee, AAHNA Foundation 	Maharashtra	TB patients in Family	Proud and Glad	NTEP Program is the best
3	Ashish vyas, DTO, NTEP 	Madhya Pradesh	As a DTO itself, i saw their poor nutrition status	Nice	First of all the main pillars, are microscopy should be strengthened, Lab technicians' posts should be filled 100%, there should be dedicated NTEP LT, BMO made responsibly, NTEP seems a "not important " program, CMHO made responsibly, CHO involved in ayushman, etc activities not told for NTEP. Many staff still attached, posted somewhere doing other activities
4	Mohd Araf Beg Sr.Treatment Supervisor TU Gool 	Jammu & Kashmir	As STS Knows the ground level Situation of TB Patints	Very Good	Every TB Unit needs NTEP MO ,STS,LT,Dots Provider & CBNAAT/TRUENAT to Eliminate Tubercutolosis by 2025

5	<p>Nagesh Kumar President Banshgopal Rashtriya Punarvas Trust Barabanki</p> 	Uttar Pradesh	Best food in power and timely medicine	Good support	Best level of awareness and presenting medicine
6	<p>Jan Sewa Jagriti Manch NGO, Social and Religious NGO</p> 	Haryana	Prime Minister's Project to Eradicate TB	Very Very Satisfied	To Involve more and more people in such a noble cause
7	<p>Port Blair Guru Ki Rasoi, President, Port Blair Guru Ki Rasoi</p> 	Andaman and Nicobar Islands	TB Mukht Bharat Slogan	We feel amazing to be a part to eradicate TB from india	More platforms for people to join this movement
8	<p>Margoob Ali, STS,NTEP</p> 	Uttar Pradesh	Healthy diets & take regular medicine	Good feeling	Healthy diets & taken regularly medicine & fully vaccinated 0 to 05-year children
9	<p>Raja Moes and DTO Paschim Bardhaman Office</p> 	West Bengal	As a Nikshay Mitra, I Got the Opportunity to Help TB PATIENT and his family, which will motivate others to come forward	To serve the Patient which is a Nobel work in my life	Awareness among the locality helps to reduce of spreading TB which helps to TB Free

10	<p>Dr John Sircar, Founder & Chief Functionary, Helping Hand Foundation</p> 	Maharashtra	<p>NGOs are in existence for ages supporting and assisting humanity. It is also important to assist the government initiatives on a humanitarian basis saving valuable lives from the dreaded infectious disease</p>	<p>I'm learning more and witnessing the level of poverty by visiting houses in rural, slums, and hard-to-reach areas and gifting Food Kits to consented Patients undergoing treatment for TB at a government health facility</p>	<p>Awareness about the disease, cough etiquette, fighting associated social stigma, post-treatment affordable and practical nutritious menu to avoid recurrent disease and retreatment</p>
11	<p>Mr. Manohar B Dhivare, President of Avanta Foundation Org.</p> 	Maharashtra	<p>I am aware of the socioeconomic and family situation of TB patients. I have experienced many TB patients closely, so I decided to help them and through my social organization, I will try to serve TB patients all over Maharashtra.</p>	<p>I am very happy to become Nikshay Mitra. I am very inspired by this project. Thank you very much Mr. Modi ji & Gov. of India for working hard for TB patients and coming up with new projects to help them live a better life.</p>	<p>One would like to say that you should honor all the Nikshaya Mitraa in society and honor them in various ways at the national and state levels. Respect them and give a government certificate that more people will be jealous of them and more philanthropists will come forward and this project will be very inspiring for all.</p>
12	<p>PP Ashish, Surat municipal corporation</p> 	Gujarat	My self	Good	<p>Try to more awareness programmes for the citizens of all the City/State</p>
13	<p>Dr Bhat Ajaz, Medical Officer Health Department</p> 	Jammu and Kashmir	Help society	Good	
14	<p>Shivraj, Child Specialist, Sahana Children Hospital</p>	Karnataka	Low economic status	Proud	Simple treatment protocol

	(R.B.S.K) Sub- Divisional Hospital Samalkha 		जब उनका इलाज सरकारी हस्पताल में चला और वह ठीक हो गए । यहीं से प्रेरित होकर मैं टीबी के मरीजों की सहायता कर रहा हूँ।		इलाज की अच्छी सुविधा होनी चाहिए, शहरी व ग्रामीण क्षेत्रों में टीबी के प्रति जागरूक अभियान चलाना चाहिए।
20	Dr. Lokesh Kumar Sharma, MO, Dr. Sharma Clinic, Charbhuj, Dist- Rajsamand Rajasthan 313333 	Rajasthan	District TB Officer Dr. Hemanth Bindal Rajsamand	Very Good	The steps being taken by our doctors and the Government of India and the State Government are very good and we have to do the best work on the ground level, the benefit of which reaches the patient directly, the health workers working in the field should also get good incentives. And they should also get health security.
21	Mrs. Manju Kumari Sharma, Staff Nurse, Dr. Sharma Clinic Charbhuj Rajsamand 	Rajasthan	Dr. Lokesh Sharma, Charbhuj	Good	We all should work on the ground and healthcare workers should also benefit
22	Dr.Krishna K. Desai Doctor 	Maharashtra	PM- TB MUKT BHARAT ABHIYAN	Very Good	Strictly follow the government orders to eradicate TB 2030...!
23	Dilip Kachere, Laboratory scientific officer	Maharashtra	TB Free India	I am happy to do this a	No thanks

					
24	Dr. Bhargav Dave, DTO, District TB CENTER THE DANGS	Gujarat	Unavailability of Nutritious food for TB patient family, due to poor economic condition of TB patient family	Very proud after becoming a Nikshay Mitra by involvement in TB Mukht Bharat Abhiyan.	By ensuring local employment opportunities for TB patient families, which would provide them with financial support and avoid migration from native land.
25	Sudhir Savalia, Businessman, Muskan Family	Gujarat	Muskan Family	Good feel हम TB मुक्त भारत २०२५ में जुड़ने का अवसर प्राप्त हुआ और देश की सेवा करने का मिला वही खुशी हो रही है	हम एक गुप बनाके ६ मास एवं १ साल का Triple विस्तार के मरीजों को कीट पहचाने का काम करते है। देशवासियों को नम अपील है की हम इस अभियान में जुड़े और देश को TB मुक्त करें।
26	Krishankant Ahirwar Samaj sevi 	Madhya Pradesh	Patient help	Nice	Manniy Pradhan mantri ji ne bahut hi achha kadam uthaya he
27	Dr Revar Govt 	Gujarat	Self	Very nice	Awareness
28	Ramchandra Kundalik Waghmare, Secretary, Sarathi Youth Foundation 	Maharashtra	CTO Solapur MC	Feeling good	TB free society with the support of the community.
29	Laxmi Kant Pandey, Secretary, Rotary Club Basti Central	Uttar Pradesh	only motivation is to provide good for the society in all sections of the	it's a normal feeling to work for some cause	More and more people should come forward to help the section of

			society		the society who are also over brothers and sisters
30	<p>Kalpana Pandey, President, Saarthi Social Welfare Society</p> 	Uttar Pradesh	<p>पहले से ही क्षय रोग से ग्रसित रोगी जो कि पोषण के अभाव की वजह से और ज्यादा द्रवित है, साथ ही उनके परिजनों की पीड़ा देखकर मेरे हृदय में उठी वेदना ने मुझे निःक्षय मित्र बनने के लिए प्रोत्साहित किया।</p>	<p>निःक्षय मित्र बनने के उपरांत मेरे मन में बहुत ही संतुष्टी के भाव हैं। मुझे क्षय रोगियों की सेवा करने का अवसर प्राप्त हो रहा है और मेरे इस सहयोग द्वारा वे पुनः स्वस्थ हो रहे हैं। और देश से टी. बी उन्मूलन के उद्देश्य की परिपूर्ति में सहायता कर पा रही हूँ।</p>	<p>टी.बी मुक्त भारत के उद्देश्य प्राप्त करने हेतु मेरा प्रथम सुझाव यही है कि लोगों में जागरूकता बढ़ायी जाये, उसके लक्षण, बचाव हेतु जरूरी एहतियात आदि सभी चीजों का व्यापक स्तर पर प्रसार होना अति आवश्यक है।</p> <p>दूसरा टी. बी की जांच की और ज्यादा सुलभ बनाया जाये जिससे कि प्रत्येक व्यक्ति के निकटतम से निकटतम स्थान पर ही जांच की जा सके।</p>
31	<p>Shweta Patil, Karma Bhoomi Foundation, Belgum</p>  	Karnataka	<p>I want India free from diseases so this motivated me to work on this project</p>	<p>Satisfied and different kinds of happiness</p>	<p>Follow up for patients and awareness patients about TB and government facilities</p>
32	<p>TERA TUJHKO ARPIT NGO</p>	Haryana	<p>CIVIL SURGEON SONIPAT AND DTO SONIPAT MOTIVATE US to become a Ni-Kshay Mitra.</p>	<p>BLESSED</p>	<p>awareness campaign</p>
33	<p>GURUDWARA KALGIDHAR SONIPAT</p>	Haryana	<p>CIVIL SURGEON SONIPAT AND DTO SONIPAT MOTIVATE US to become a Ni-Kshay Mitra.</p>	<p>HAPPY TO HELP NEEDY</p>	<p>Awareness campaign</p>
34	<p>JAN SEWA JAGRITI SANGH SONIPAT NGO</p>	Haryana	<p>CIVIL SURGEON SONIPAT AND DTO SONIPAT MOTIVATE US to become a Ni-Kshay Mitra.</p>	<p>HAPPY TO HELP PATIENTS OF TB</p>	<p>Awareness campaign</p>

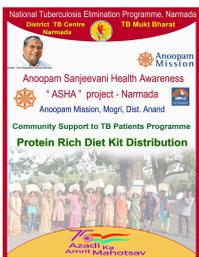

35	<p>Vipul Rana Associate General Manager- HR Deccan Fine Chemicals (India) Private Limited</p>	Gujarat	<p>Every year in Ankleshwar Taluka 800-1000 people diagnosed with TB, with local there are several migrated people are staying in Ankleshwar due to Industrial Area. Many of them are unskilled getting daily wages, and their economical background are very poor. TB usually affects the most economically productive age group of society resulting in a significant loss of working days and pushing TB patients further into the vortex of poverty. Although the efforts of the government are yielding significant results, the community and the institutions in the society can play a critical role in filling gaps and addressing social determinants, thereby contributing to the national goal.</p>	<p>We feel highly motivated for contributing towards the well-conceived and implemented TB Elimination Program and play our role in the elimination of TB</p>	<p>Along with Medicines, Govt. Shall provide Supporting nutritions rather than paying cash to the patients.</p>
36	<p>Mr. A Indra Kumar Chairman & Managing Director Avanti Feeds Limited</p> 	Gujarat	<p>The corporate and Social responsibility of the organization leads by the Govt initiative toward the eradication of TB from India</p>	<p>we are delighted and proud on becoming part of this Nikshay Mitra National Drive</p>	<p>More awareness needs to be created for our nationals to come forward and get their health checkup completed. So, who needs TB treatment will be screened from the population Like the Covid-Vaccination drive which was completed very fast. This can be done by social media, TV, Radio mobile ring, etc</p>
37	<p>Suman Srivastava Chairman Suman Foundation</p> 	Uttar Pradesh	<p>The Governor of UP Mrs. Anandiben Patel motivated me to become Ni-Kshay Mitra. Many NGOs were invited to Mahadeva Auditorium, Barabanki where the speech of our respected Governor inspired me to make our nation TB free.</p>	<p>I am feeling spiritually satisfied after becoming Ni-Kshay Mitra. I feel that I am contributing to my nation. And I believe that one day our mission of TB Free Nation will be completed.</p>	<p>There must be proper arrangements for the Food, Medicine, and Cleanliness of TB patients. Time to time health checkups like weight is necessary. Patients should not feel bad about their disease. They must be taken care of with love and make them feel confident.</p>

38	<p>Ishaque Khan Indore Vishv Arogya Sewa Sansthan</p> 	Madhya Pradesh	We Must Work on This to Eliminate T.B. From India	Full of Pride	We Have to Make Public Aware Against T.B.
39	<p>Anupama STS NHM</p> 	Madhya Pradesh	Support for elimination TB	👍	Relax n happy
40	<p>Rajen Pradhan Sr Programme Officer ENVIS, Forest and Environment Department, Gangtok</p> 	Sikkim	Dr. Aruna Pradhan, DTO Gangtok motivated me	I am pleased that I could contribute a bit	Regular intensive sensitization drives in rural areas where cooking is still dependent on firewood. There is also a need to provide clean cooking alternatives (LPG, Solar cookers, etc) in such areas.
41	<p>Dipmala krushnadas kohachade STS</p> 	Maharashtra	Self-motivation	Pleasure	Everyone will become a ni-kshay Mitra
42	<p>PUSARAM Staff Nurse</p> 	Rajasthan	The Nikshay Mitra, a government project that enables people to adopt tuberculosis patients and take care of their nutritional and medical requirement	Better	Yes

43	<p>NARODA INDUSTRIES ASSOCIATION President Naroda Industries Association</p> 	Gujarat	<p>Doctors from Ahmedabad Municipal Corporation have suggested that if a TB patient is given a nutritious diet; their chances of recovery are greatly increased. Hence, we have decided to adopt patients for their nutritional care.</p>	<p>A sense of responsibility to eradicate TB from India by 2025.</p>	<p>All possible help must be extended to patients so that the vulnerable get essential care to recover from the disease.</p>
44	<p>Bharat Naik Retired Vice Principal/State coordinator/BCCI panel Umpire Directorate of Education</p>	Goa	<p>My Wife and Daughter in law. Also, I was an EPTB patient</p>	<p>Happy</p>	<p>Sensitization of people and awareness about TB</p>
45	<p>Arun Gupta Volunteer Retired Ex ONGC</p> 	Gujarat	<p>Social service for the Mankind</p>	<p>Very uplifted and satisfied for the cause of Society</p>	<p>1. General awareness through social media for its prevention, 2. Widespread Vaccination</p>
46	<p>Bantra St. Thomas' Home Welfare Society NGO (Charitable Organization) Bantra St. Thomas' Home Welfare Society</p> 	West Bengal	<p>Bantra St Thomas' Home Welfare Society is a charitable, non-profit making organization. We have both Indoor and Outdoor treatment facilities. Admission is done here without any discrimination on the basis of caste, creed, and religion. We are working under NTEP guidelines. We provide free medicine, medical treatment, and food support to all the TB patients who come to take treatment in our Indoor facility and all those TB patients who come to take DOT medicine through our Outdoor DOT centers. Except for these TB patients to provide nominal nutritional support to more needy TB patients (consented to take</p>	<p>We are very pleased to get the opportunity to take a part of this philanthropic service of the Government of India.</p>	<p>More awareness about TB through Electronic Media. TB health work should care for all TB patients and observe whether the patients are taking daily TB medicine properly or not.</p>

			this support) under our TU (HMC, Dumurjala, Howrah, West Bengal) we have become a Ni-Kshay Mitra.		
47	<p>Dr.Mrityunjoy Banik Medical Officer (Ayurveda) BELONIA SUB-DIVISIONAL HOSPITAL</p> 	Tripura	Self-thinking after hearing about this in a meeting from TB Cell of South Tripura	Good	More support to the lowest economic families and educate them on how to enjoy life without sex and local liquor.
48	<p>Yogendra Kumar Singh STLS NTEP, Ballia</p> 	Uttar Pradesh	Serve to other	Good	Political & social commitments
49	<p>Rajasthan Samgrah Kalyan Sansthan Non-Profit Organization Rajasthan Samgrah Kalyan Sansthan</p> 	Rajasthan	We were already working for TB patients as they do require nutritious food for a speedy recovery and people from lower income strata are not able to have nutritious food. So RSKS India provides them with nutritious food kits for free so that they can get well as fast as possible.	More Confident	More Awareness About TB Among People
50	<p>Vanprastha Senior citizens club Hisar General Secretary</p> 	Haryana	The motivation of Chief Medical officer, Hisar gives me pleasure to distribute the protein-rich diet to the needy TB patients	It gives me immense pleasure to distribute protein-rich diet kits to needy TB patients with our own hands and to enquired regularly their health status	Awareness to the rural masses about the importance and regular monitoring
51	<p>Mahesh Secretary Bajirao Appa foundation</p>	Karnataka	Ek Kadam TB Mukta Bharat ki taraf	Motivated more to work towards TB Mukta Bharat	Help and support NGOs that can work more for TB Mukta Abhiyaan

52	<p>Ranjita Pai Gen secretary BJP Mahila Morcha Goa</p> 	Goa	PM Modi ji's approach to eradicating TB in India	Great to do something for the patient	Creating more awareness of the stigma of the patient in society will help him not to hide that the patient suffering from TB & will take the medicine without fear and with continuity as most cases relapse due to discontinuing the treatment in the middle. A check on medical stores selling Tuberculosis drugs as that would break the chain of documentation by the medical center or govt health center
53	<p>Prakash Pandey BCM PHC OKHALKANDA</p> 	Uttarakhand	Myself	Very Happy	Proper follow-up
54	<p>Dr. R C Meena Ex DTO Private Clinic</p> 	Rajasthan	Nutritional supplements & Treatment services	Good feeling	Pts & community provide more knowledge about TB Treatment and Awareness
55	<p>Akhilesh Tiwari District Coordinator Divya Jyoti Social Development Center, Rewa</p> 	Madhya Pradesh	Healthy food And Timely taking TB treatment in TB must be required	I Am Very Happy	Mask Use and Healthy Food for All Humans Use Everyday
56	<p>Manendra Namdev LTBI Coordinator GLRA</p>	Madhya Pradesh	Yes	I am very good feel	Yes TB free

					
57	<p>Kaushlendra bhadauria Chatter president Rotary club puranpur royals</p> 	Uttar Pradesh	Our honorable prime minister sir	Amazing	Promate in rural areas
58	<p>Dr Sharanayya Swamy District TB Officer TB CENTER BIDAR</p> 	Karnataka	To help needy Patients	Proud	
59	<p>Dr Neha Parikh Medical officer Ahmedabad municipal corporation</p> 	Gujarat	-	Satisfied and happy	-
60	<p>Anoopam Mission Project In Charge Charitable Trust</p> 	Gujarat	As we are already involved in such Activities since 2006 and we were invited by District TB Centre, Narmada - Dr. Zankhna Vasava. (Rajpipla)	As we believe in Serving GOD by serving Humanity	Due to malnutrition people of Tribal Villages are suffering from TB hence they need to be supported by distribution of Kits consisting of various food supplements, regular medical inspection and necessary corrective actions.
61	<p>Deepanjali Sharma Secretary Shri Radha Krishna Seva Samiti, Mathura</p>	Uttar Pradesh	मैं पिछले 14 वर्षों से अपने ngo के मध्यम से समाज सेवा के क्षेत्र में महिलाओं को आत्मनिर्भर बनाने के	मैं खुद को भाग्यशाली मानती हूँ कि मैं अब लोगो को विभाग के साथ	अधिक से अधिक जागरूकता शिविरों का आयोजन

			क्षेत्र में कार्य कर रही हूँ, देखती हूँ कैसे कठिन परिस्थितियों में भी महिलाएं किस प्रकार मेहनत करके अपना जीवन यापन कर रही हैं, और अपने परिवार का खयाल रख रही हैं, परंतु वो स्वयं अपने स्वास्थ्य के प्रति बेहद लापरवाही से पेश आती हैं क्योंकि उनके लिए अपना खयाल रखना महत्वपूर्ण है ही नहीं, मुझे इन्हीं परिस्थितियों ने इस क्षेत्र में आने के लिए प्रेरित किया, जिससे मैं समाज के ऐसे वर्ग के लिए कुछ कर पाऊं, जिनके लिए जीवन यापन से अधिक महत्वपूर्ण और कुछ है ही नहीं, स्वास्थ्य भी नहीं	मिलकर जागरूक कर पा रही हूँ, और उनको स्वस्थ रहने के लिए प्रेरित करने के साथ उनकी पुष्टाहार संबंधित मदद भी कर पा रही हूँ, कोई न कोई तो माध्यम बनता ही है, पर महत्वपूर्ण ये है की हम अपने लक्ष्य को पा सकें।	जिनमे जागरूकता के साथ जांच तो हो ही, और साथ ही छोटी छोटी एसी बातें भी बताई जाएं जिससे लोग घर पर ही अपनी पुष्टाहार संबंधी जरूरतों को पूरा कर सकें, साथ ही योग के बारे में भी जानकारी प्रदान की जाए, जगह जगह नक्कड़ नाटकों के माध्यम से भी प्रचार, प्रसार किया जा सकता है
62	Inner Wheel Club of Jagadhri Yamuna Nagar President 	Haryana	Our organization motivate us for social work	It's a matter of satisfaction . We are helping our nation in some way	More and more people or organizations should come forward to help. We make patients aware that it's curable not to worry
63	Sri Sathya Sai Seva Sangathan, Kangra Member 	Himachal Pradesh	Distt. Authorities	Good	Eradicate stigma toward TB
64	Kanak Kiran Rade Student Euroschool Airoli, Mumbai 	Maharashtra	The need of nutrition for TB patients	feel good	I think similar to COVID-19 all Indians should take a vaccine for TB so that we can prevent TB rather than waiting for it to happen and then treating it. TB programme should make it available to all FREE at the earliest
65	Ashish kumar sharma Senior Treatment Supervisor 	Uttarakhand	See Patients Illness	Nice	Man to Man Testing and Provide Medicine

66	<p>Rotary Club of Millennium City President</p> 	Maharashtra	The Govt. of India's vision to eradicate TB from India by 2025 has prompted us to support in this noble initiative and motivated us to become a Ni-Kshay Mitra	We feel very happy and grateful that we're able to support the Govt of India in our own small way in eradicating this deadly disease from the country.	We need to be more proactive in providing preventive care for TB patients so that no recurrence takes place while at the same time creating awareness through different mediums which will help the common population to be more careful in terms of their health so as to avoid being contracted with TB.
67	<p>Inner Wheel Club Of Jagadhri Yamuna Nagar President</p> 	Haryana	We want to help our society	It is a satisfactory Task	Make people aware of it
68	<p>Shri Satya Sai seva sanghatan Members</p> 	Himachal Pradesh	For helping hand to tb patients	Good	Eradicate stigma in society and minimize human sufferings and maximize the services to tb patients
69	<p>Dr Krishan Lal Kapoor BMO Thural Health</p> 	Himachal Pradesh	Nutrition Suport For TB Patients	Very Good	All people to involment for TB MukT Himachal
70	<p>Dr Munish Rana Medical Officer Health</p> 	Himachal Pradesh	लोगों को टीबी की बीमारी होने पर शर्म महसूस न करें	Good	सभी को निक्षय मित्र बन कर टीबी मरीज की हेल्प करनी चाहिए
71	<p>Sr Rahul Dhiman Medical Officer Health</p>	Himachal Pradesh	Help for TB Patients	Very nice	Everyone help to TB Patients

					
72	Dr Suman Dogra Medical Officer Health 	Himachal Pradesh	For Help of TB Patients	Very nice	All persons help to TB Patients
73	Dr Shrey Kapila Medical Officer Health 	Himachal Pradesh	मरीज अपनी बिमारी को ना छुपाए और खुल कर बिमारी से लड़ने के लिए सामने आए	Very nice	सभी को निक्षये मित्र बनना चाहिए
74	Dr Ramesh Sood Doctor Health 	Himachal Pradesh	टीबी बीमारी के प्रति झिजक को समाप्त करना	Very nice	सभी को टीबी मरीजों की सहायता करनी चाहिए
75	Dr Vaishali Sood Doctor Health 	Himachal Pradesh	Support for TB Patients	Very nice	Everyone help to TB Patients
76	Dr Anita Kapoor Doctor Health 	Himachal Pradesh	टीबी मरीज की सहायता करना	Very nice	हम सभी को मिलजुल कर टीबी मरीजों की सहायता करनी चाहिए
77	Dr Bhagwat Mehta BMO Health and family welfare department 	Himachal Pradesh	Self	Feeling good	1 Financial assistance should be enhanced to very poor patients. 2 Free travelling facilities to the patient and his companion.

78	Dr Rohit Jauhari Pathologist Scientific Pathological Laboratory 	Uttar Pradesh	To give back to patients and society.	Proud doing my bit.	Need to spread more awareness to the patients
79	Nayan Jyoti Singh STS NTEP 	Assam	I already did these type of activity unofficially before, and now doing officially as Mitra	Feels really good...proud.	Should be an option for MITRA or NTEP to directly link as a treatment supporter or Informant.
80	Dr Harjeet Kumar Medical Officer Health 	Himachal Pradesh	मरीज टीबी की बीमारी से लड़ने के लिए खुल कर सामने आएँ	Very nice	सभी को निक्षय मित्र बन कर टीबी मरीज की सहायता करनी चाहिए
81	Dr Kavindra Singh Bhakuni Medical Officer CHC Bironkhal, Pauri Garhwal Uttarakhand 	Uttarakhand	As a medical professional, always there for the betterment of society.		Proper tracking and tracing of diseased individuals with social awareness programmes by camps, counselling and involving others in this holy cause.
82	Tyagmurti Hospital Private hospital 	Punjab	District TB officer contacts us and discuss about the Nutritional needs of the TB patients	We are very much satisfied and happy to be the part of national TB programme	
83	Ashish kumar sharma Senior Treatment Supervisor NTEP, Haridwar	Uttarakhand	Needy People service	Nice	Man to man sampling

					
84	<p>Kiran T S Health Inspecting Officer HEALTH CARE</p> 	Karnataka	To serve People	Good	Ends TB Nation
85	<p>Dr Saumini Srinivas Director Individual</p> 	Telangana	PM Narendra Modi,s appeal	Satisfying	Awareness and survey
86	<p>Paresh Adhvaryu President District TB Association Navsari</p> 	Gujarat	I am working for tuberculosis patients since last 50 years it has motivated me to become	I want to be the real helping hand for tuberculosis what are you	To become TB free nation rural work is very much required the National TV association must be unanimous body
87	<p>Patel Engineering Limited Corporate</p> 	Assam	Such small contribution can change the society TB free and boost up the patients moral and help to achieve our Honorable prime minister vision	Very Proud to hand with Government to eliminate TB in India	Every individual and organization need to cooperate the Government to Eliminate TB
88	<p>Shri Rameshbhai Patel Chairman Vikram Tea Processors P Ltd</p> 	Maharashtra	Apeal by Hon. P M Shri Narendraji Modi	We are happy to participate in TB Mukta Bharat Yojna.	Initiate should be taken by District Administration to Motivate Corporates to participate.
89	<p>Dr Gangadhar District TB officer Health dept</p>	Karnataka	Wanted to help the needy	Had helped people in need earlier during birthdays and	Need to involve all other department because TB is a social disease and

				anniversaries now it's more formally done through the program.	elimination can only be achieved by improving housing, nutrition, and the economy
90	Sewa Bharti Derabassi NGO 	Punjab	By Dr. Dharmdiner Singh SMO Incharge Derabassi	Good	Awareness about TB should be given to people living in remote area
91	Anbu Rasu Technical Officer International Advanced Research Center for Powder Metallurgy and New Materials ARCI 	Telangana	We had lost member of our family due to unawareness about TB	I must continue this small help for needy till we attain TB free india	More outreach towards villages
92	Srinivas konda Mpheo Medical and health 	Telangana	TB awareness in socioety	Very proud and more help to my mother india	More participation of ashwa workers, provide sputam samples kits to each ashwa, special incentive to ashwa for spital collection, all MPHA(M) are responsibility for TB free india, fill up all vacancies of health assistant's. Mobile vehicles use for awareness programmes, kalajatha also participate in awareness.
93	Dr Anjori Agrawal Consultant, CTD CTD, MoHFW 	Delhi	The goal to achieve TB free country by 2025	Feeling of contributing towards National goal	Participation by all
94	Swamy Balachandra Founder Abhaya Foundation	Telangana	It was call from the Hon'ble Governor of Telangana to us which motivated us to serve the affected people in and around our campus at	Very Happy to be part of PM Kshaya Muktha Bharat Abhiyan. This is the best way to serve those in need.	We must surely think of how we can give them empowerment to earn their livelihood. Team abhaya wishes to lend their hands of support to young ones

			Ibrahimpattanam, Ranga Reddy Dist, TS	We shall serve a min of 20 people per month for as many months as possible with prayers for the wellbeing of those affected by TB	post their recovery. If needed we can make them learn Computers, Tailoring, Driving, Beautician and such other courses. We can keep batches of 20 @ our campus and provide them training for free. That would be more impacting experience for us n them
95	Adyasha B.Tech Student VSSUT,Burla Odisha 	Odisha	Wanted to start my philanthropist journey. As I am acutely aware of the socioeconomic and family situation of TB patients ,hence I decided to help to serve TB patients all over my district Bargarh.	It gives me immense pride and satisfaction adopting a patient and taking the medicinal charge, at an early age of my life.	It should continue the way it is, no suggestions are required as awareness is growing exponentially and Patients are being benefited.
96	DR CH. ARUNA KUMARI DISTRICT TB CONTROL OFFICER DISTRICT TB CENTRE 	TELANGANA	Patients Poor Socio Economic status, to improve Adherence to treatment	Good.	Awareness Campaign, Testing, Private Health Sector Commitment to increase.

Very poor they need to nutrition for good health.	He feel very happy and he theirs social responsibility.	We discussed about all facilities free of cost for all tb patients
157	<p>ROTARY CLUB OF KANKAVLI CENTRAL NGO</p> 	Maharashtra	DTC	Great	Maximum Nikshay Mitra
158	<p>LOKHIT ALPHSANKHYAN BHAUDDESH SAN NGO</p>	Maharashtra	Happy	Happy	

					
159	<p>MR AMAL MAHADIK EX MLA (KOLHAPUR SOUTH)</p> 	Maharashtra	SOCIAL WORK & NOBIL CAUSE IS MOTIVATED	I FEEL VERY PROUD HELP TO TB PATIENTS WITH A BETTER CURE.	SUGGESTION - ELIMINATE TB IN INDIA WITH HELP OF EACH AND EVERY PEOPLE
160	<p>Metropolis Health Care and Metropolis Foundation CSR – Lead</p> 	Maharashtra	Metropolis is very much committed through its CSR initiatives to giving back to society. Doing philanthropic is in the DNA of Metropolis. In order to Strengthen govt hands and eliminate Tuberculosis Metropolis has joined hands with Govt and contributed in Nation building	we are very proud to be N-Kshay Mitra	We should make TB champions (like we have made in the L ward of Mumbai) who are counseling other TB patients to motivate and to tell you of 702 patients adopted in years 22-23 none of them have left medicine. we got motivated and adopted 1000 patients. we will soon initiate with the support of an active DTC team of Bail Bazar peer counselling so that information on TB is left in the community.
161	<p>Farooq Ahmad namaste Head Pharmacist Health and Medical Education Department Jammu and Kashmir</p> 	Jammu and Kashmir	Poverty of people	Spiritually good	To make the health system concrete and effective
162	<p>DABA Dimapur Ao Baptist Arogo NGO</p>	Nagaland	As a church, we want to participate in improving the community not only spiritually but also physically.	Feel grateful to God for the opportunity given to serve people.	More awareness about the disease in the community

					
163	<p>Mokokchung Town Baptist Church NGO</p> 	Nagaland	It is always a pleasure to help the sick and the poor.	Honoured	Need more Awareness about TB through media.
164	<p>Jatinder pal Singh President Aakhri Umeed Welfare Society</p> 	Punjab	Good services	Good	Keep the good work
165	<p>Basant Sahu Nikshay Mitra Self</p> 	Chhattisgarh	Mera beta jo TB champion he	Bahut achha	Ye kam ham sab ko mil kr krna hoga
166	<p>Rajesh Kumar Tripathi Chief Works Manager Miki Wire Works Pvt Ltd</p> 	Jharkhand	Feeling of helping the poor and needy TB patients	Proudly	Helping each other and to make friendly environment for TB patients
167	<p>Rashmi Sharma Senior Tuberculosis Laboratory Supervisor National Tuberculosis Elimination Program</p>	Punjab	Pitiful conditions of poor tb patients motivated me to help them with the support of family and our district officer	I feel good to know that my small efforts are making a difference in someone's life. The smile on the face of such	These poor tuberculosis patients indeed need good nutrition support. It should be arranged for every TB patient.

				patients are most important.	
168	Dr Aabid Maqbool Medical officer Health department 	Jammu & Kashmir	Self	Good	Good patient care
169	Dr Nazir Ahmad Bhat BMO Health Deptt 	Jammu & Kashmir	STS Kalaroose motivated me	Very good	To provide nutritional and motivational support to tb patients and proper treatment care.
170	Mukesh Kumar Goyal General Secretary Samarpan welfare society 	Punjab	Welfare Works	DC office	Food and treatment should be on time
171	Anjana merry toppo TB Champion Reach 	Jharkhand	Self	Bahut achha अन्दर से बहुत खुशी हो रही हैं	ACF, Community meeting, SGM etc, Awareness programme

172	Guru Nanak Saw Mill DPS Corporate 	Punjab	Self	Good	AI software & C XRAY
173	RAJDEEP KAUR Pharmacy officers Health and Family Welfare Department 	Punjab	For the well-being of TB patient	Feeling good	Spread awareness about symptoms of TB and give free diet for every Patient
174	Naresh Kumar None Government Self 	Uttar Pradesh	Advertisement	Proudly	Door-to-door survey... TB patient ki pehchan karke... Prerit karke
175	Sepalie Sangma Vice Principal GNM SCHOOL OF NURSING WILLIAMNAGAR 	Meghalaya	Seeing the needs of DOT patients of good nutritional support while undergoing treatment	I feel privileged to be able to support at least one DOT patient undergoing treatment	Every citizen must be responsible towards making our nation free from TB
176	Dr.Chrissie Pearly M Sangma District Tuberculosis Officer , East Garo Hills NTEP 	Meghalaya	Service to mankind is Service to God. So i thought of adopting patients who are needy which will boost up their health status for better outcome of Tuberculosis	I feel proud , satisfied and happy by helping needy patients who are of low economic status .	Aggressive awareness of the disease and active involvement of the community and donors should come forward themselves out of compassion and generosity to adopt TB patients to make our nation TB-free

177	<p>Cherubie M Sangma Medical & Health Officer Department of Health & Family Welfare</p> 	Meghalaya	Lending a helping hand to the needy & sick TB patients...and making India a TB-free nation	Happy	Needs more trained Health worker Personnel
178	<p>Dr Sengrang R Marak, Senior M&HO, MOTC DTC East Garo Hills</p> 	Meghalaya	Seeing my patients recover from the illness as a physician makes me always happy and satisfied. Good Nutrition accounts for a faster recovery rate for patients on treatment. As I see many patients who could not afford good Nutrition due to poor economic backgrounds I felt the need to support them being human. To achieve the NSG target set, this small gesture can help my country, state, district and village free from TB by 2025.	I feel so happy and satisfied.. Never ever wanted to lose them..	The message of Nikshay Mitra to reach to all and reach out to help and support the patients..social media coverage, local newspapers tv channels can be the best medium.. Behavioural change, addresses to certain misconceptions.. Addressing social determinants.. scope of better support system should looked for.. Man power, financial and infrastructure above all aggressive screening and testing of all the presumptive cases should be made mandatory for all villages.
179	<p>SOMA BHOWMICK VICE CHANCELLOR WILLIAM CAREY UNIVERSITY</p> 	Meghalaya	I FELT IT TO BE MY DUTY AS A CITIZEN OF THIS COUNTRY	IT IS A SMALL PERSONAL EFFORT	<p>GIVEN OUR LARGE DIVERSE POPULATION, INCESSANT AWARENESS AND ENCOURAGEMENT AT THE GRASS ROOTS IS CRITICAL TO STRATEGISE SUCCESSFULLY -DETECT TREAT PREVENT BUILD - BEING ALREADY DONE AT THE GOVERNMENT LEVEL.</p> <p>TRAINING OF THE FIELD STAFF VERY VERY CRUCIAL IN TERMS OF EMPATHY</p>

					<p>TOWARDS THIS MISSION.</p> <p>CAPACITY BUILDING OF FIELD STAFF IS IMPORTANT - PROMPTNESS AND BETTER COORDINATION IS CRITICAL FOR THE SUCCESS OF ANY MISSION.</p>
180	<p>Miss Abha S.Nongum Student Little Flower Sec School</p> 	Meghalaya	I felt sad when I came to know they were sick and poor and saw others are helping and want to join the good cause.	Very happy	Everyone should come forward to make our nation TB free
181	<p>Morgan Ch Momin Treasury Officer Finance Department</p>	Meghalaya	DTO information	Happy	Health Department to open new infrastructure facilities
182	<p>Rajinder singh khote Volunteer Individual</p> 	Punjab	District tb officer moga motivate me	Satisfied and proud.	Free food for all tb patients
