

CRAAP Test - Critical Evaluation of Online Resources

EDU653: Higher Order-Web Mediated Learning

You have been asked to critically evaluate your first five resources. Please determine the usefulness of your resources by marking "Met" or "Not Met" for each web site. For additional guidance, visit the link: <https://guides.library.illinoisstate.edu/evaluating/craap> or contact your instructor.

Currency: Determine if the date of publication of the information is suitable for your project.

Relevance: Determine how applicable the information is to your project.

Authority: Determine if the source author, creator, or publisher of the information is the most knowledgeable.

Accuracy: Determine the reliability, truthfulness and correctness of the content.

Purpose: Determine the reason why the information exists.

Source #	Resource Link:	Currency	Relevance	Authority	Accuracy	Purpose	Pass/Fail?
1	Why conferences are more relevant than ever	???	no	no	yes	no	Fail
