

LINCOLN MIDDLE SCHOOL

GRADE 6 TO 7 ACCELERATED

All students in grade 6 have the option to complete the summer Math assignment to earn bonus points on your first quarter grade!

What will I need to do?

- You will be completing your summer math assignment in a Google Form.
 - You **MUST** enter your answers in the Google Form.
 - If you want to, you can print a copy of the assignment, complete it on paper, and then put your answers into the Google Form.
- You will be able to do the problems over multiple weeks and the Google Form will save your answers as long as you hit "submit" each time.
- You will need to successfully complete at least 85% of the problems **by the first day of school** to get the extra credit points.

Why do I need to do Summer Math?

- Summer Math is **highly recommended** to help you practice the skills you need to be successful in Grade 7.
- **Successful completion** of the summer math assignment will earn you **bonus points** for your first quarter at Lincoln Middle School.
