## 8th Grade Class Requests: Important Information

**Class requests for 8th graders** will be submitted through the student's Skyward account. All required classes are automatically assigned, so you will only need to select your elective and alternate classes.

You can log in and update your requests as many times as needed. .

- A 8th Grade Request Worksheet is available to help you plan
- A class description guide is provided to help you make intentional choices.
- All class requests must be submitted through Skyward. Paper forms will not be accepted.
- If you do not submit your class requests by the deadline, elective classes will be chosen for you.
