WHAT TO KNOW!

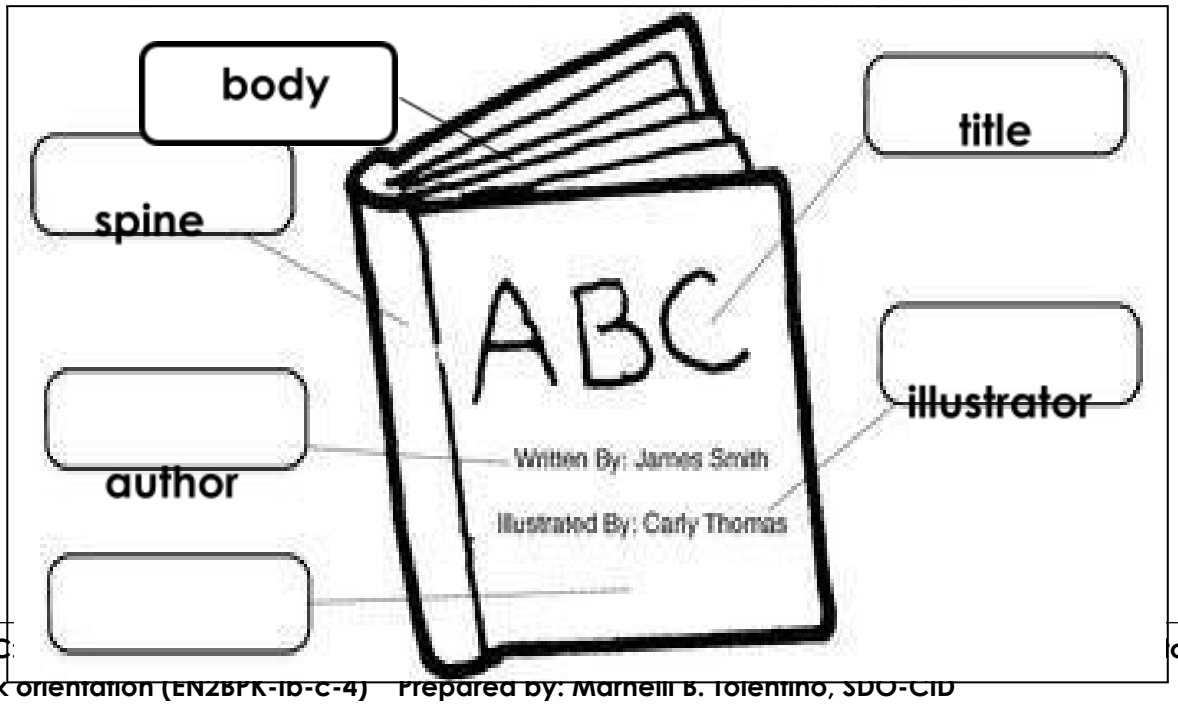

Recognize Parts of a Book

A book has different parts. It is important to know the different parts so you can use the book properly.

The **cover** is the outside part that protects the book. It has a front and back side. It also has the title, author, and illustrator on it.

The **title** is the name of the book. The **author** is the person who wrote the book and the **illustrator** is the one who drew the pictures in the book.

The **spine** is the middle part that holds the pages together. It is the part that you see when the book is in a shelf. The **body** contains the many pages inside the book.
