

Permission Form Walking or Riding Bike Home Alone

Dear Parent or Guardian:

Please sign this form and return to the school to allow your child to walk or ride home from school unescorted by a parent or guardian.

My child has permission to WALK OR RIDE BIKE HOME from Sandpiper. **I am aware that once my child leaves the school campus, there is no adult supervision for them.** I have made my child aware that, for their safety, they are not allowed to loiter around the premises after school, and that they are to go directly to their after school destination.
