DELPHINUSORBS COMM T.O.S:

◆ ↳ Hello! And thank you for considering commissioning me! Of course, I will not take ANY commission, so i have to set some rules and boundaries! The green star are things i will draw ==== The red star is things i will not draw;

◆ ↳ **Ship art, Selfships, Furrries (within my style; will not do realistic or within any other artstyle.), Males, Fanart, LIGHT gore (non-detailed cuts, bloody noses, etc.)**

◆ ↳ **Political art, Pornographic material (light NSFW is fine, eg: suggestive posing), Masculine People, detailed: weapons, animals, backgrounds, and body features, Problematic medias.**

◆ ↳ I will always ask permission on if I can post your commission and the speedpaint, please let me know if you would want a tag in the drawing/speedpaint OR whether you would like to opt. out of the drawing being posted!

However, I will sometimes take longer than needed since I do have a life outside of drawing. I will still keep my clients updated if I know it will take longer than usual!

◆ ↳ I am allowed to deny any commissions that I do not feel confident or comfortable making.

◆ ↳ More than one person == double the price (does not apply for chibis if it just two people).

◆ ↳ After reading this T.O.S, you understand what has been stated and agree to it. Please do not be surprised or outraged if I say anything that has already been mentioned within this T.O.S sheet. Thank you for reading, much love!!
