

Hello,

I have some exciting news!

You're invited to partner in I Dream Library's inaugural in-person fundraiser, READ ME, a capacity-building event toward Research, Education, Art, and Design through Black, Indigenous, and Asian relational frameworks. READ ME connects creatives, social innovators, and business leaders challenging DEI erasure through support of a new library model, one where 2SQTI/BIPoC neurodivergent and disabled stories are valued in and beyond traditional texts.

The August 7th event is generously hosted by Vancouver's Bentall Center in conjunction with the Bentall Gallery exhibit *How I Get Through This Moment Is Art*.

We welcome financial & in-kind sponsors, especially orgs and individuals who are aligned with/in support of (local and global) arts + culture, education, literacy + publishing, social justice, health + wellness, sport, disability and neurodivergent inclusion, 2SLGBTQIA+ BIPoC, and women entrepreneurship + equity.

If you feel this event and our mission resonate with your company and brand, we would welcome the opportunity to discuss sponsorship or offer in-kind sponsorships in more detail.

I have enclosed a link to our sponsorship package below. We hope to connect soon.

Artist Talk + Performance + Silent Auction

Tax benefits available
