(need an account)

top to down, left to right. Gendered pronouns are converted to >it< by me, because the gtranslation uses he/they/it/she mixed. the descriptions are incomplete. Just picked out their personalities (if possible).

---

1st Layer

アグニモン | Agunimon | Agnimon  
“It has a fiery temperament.”

レーベモン | Loweemon | Louwemon | Loewemon/Löwemon  
“It is called the "Brave Jet-Black Warrior", and its power over others is hidden in the ring it wears on its finger.”

ベタモン | Betamon  
“They are usually quiet, but once angered, their bodies emit an electric current of over one million volts to attack their enemies.”

インプモン | Impmon

“It is a prankster and enjoys seeing people in trouble. But in fact, it is lonely and it doesn’t flatter the strong and stands up against them with a strong attitude.”

ギルモン | Guilmon

“A Digimon with immense power that can be both a protector and a destroyer of the Digital World.”

ミュージモン | Musimon

“With the ability of >music application<, it is able to create music that moves people's hearts.”

ホークモン | Hawkmon

“A polite, calm and collected Digimon who can armour evolve using digimental powers.”

ガブモン | Gabumon

“It is very shy, so it always wears a fur made out of the data of Garurumon.”

アグモン | Agumon

“It is still growing up, but it is brave enough to face strong enemies.”
