BATTERY STORAGE ZONING LAW COMMITTEE
Meeting Minutes
Wednesday, October 16, 2024

Attendance – Ernie Waldman, Jim Dallas, Charlie Florio, Matt Tuczynski
Absent – Dan MacCormick

Discussion was held on the background of battery storage facilities and the justification for their construction at this time. Using the Model Battery Storage Facility Law from NYSERDA, and a written battery storage zoning ordinance from a municipality in Orange County, NY, the committee began the process of determining how the requirements of electricity storage can be met under the circumstances of the Town of Stockport.
