

Gale Sublouski

I'm Retired, I guess?

Age: 48 years

Gender: Cis Male

Orientation: Pansexual

Race: American-Italian

Weight: 280 pounds

PERSONALITY

deep down a warm and loving person, but it might not seem that way at first

BACKGROUND

The adopted son of an American mob boss, he and his younger brother Benny work and live in Japan after Gale took a drunken flight to the country and found himself getting a job as Toshinori's secretary five years ago when the now retired hero found him in a ditch.

He also has five other siblings, four that are the biological children of his adoptive parents, and one that is another adopted child like himself. They are all boys, much to his father's chagrin.

QUIRK

Ultimate Accuracy - He can never miss a target, no matter how hard he tries. Whether that's him aiming with a gun, tossing something into the trash, or just aiming his steps on the street to avoid a puddle, he literally cannot miss. Can cause migraines, and if his quirk is taken from him/erased somehow he becomes completely unable to move or function, as he does not know how to do so without it.

LIKES

He likes driving, vehicles, cooking/baking, gardening, and swimming

DISLIKES

Ghosts, alcohol, dancing in front of others, being mocked for his background.

STATS

Power: 4/5

IMPORTANT NOTES

Gale's great grandfather had a seal quirk, which makes him able to hold his breath much longer than average. It should also be noted that he is a recovering alcoholic and will not take kindly to booze being pushed on him because of it.

He also has the ability to see ghosts and demons even when disguised. This has nothing to do with quirks and is in fact a psychic ability passed down in his bloodline since before quirks existed.
